

Ceramic Coating Warranty | Wolfe Detail & Accessories

This warranty outlines coverage, limitations, and care requirements for ceramic coating services performed by Wolfe Detail & Accessories. Proper care and maintenance are essential to maximize coating performance and longevity.

EXTERIOR CERAMIC COATING | CRYSTAL SERUM LIGHT

Warranty Duration: 5 Years from date of application.

This warranty applies to OEM gloss paint finishes applied to bodywork only and only to areas that have been treated.

In the unlikely event of noticeable staining or fading of treated gloss paint caused by exposure to UV rays, environmental fallout, road salt, bug splatter, acid rain, tree sap, bird droppings, lotions, or cosmetics, Wolfe Detail & Accessories will attempt to repair ceramic coating damage and reapply the coating to the affected area.

To maintain warranty coverage, proper care and maintenance must be followed. This includes adhering to the Gtechniq wash process, products, and equipment as outlined in the Ceramic Coating Care Guide. Failure to follow the wash guide or evidence of neglect may void the warranty.

INTERIOR CERAMIC COATING | WARRANTY COVERAGE

Covered Products:

- L1 V2 Leather Guard for leather surfaces
- I1 V3 Smart Fabric for carpets and stitched areas
- C6 Matte Dash for dashboards and door panels

Warranty Duration: 1 Year from date of application.

The interior ceramic coating warranty covers application workmanship only. This includes improper application resulting in streaking, residue, or product buildup caused during installation.

In the event of interior staining caused by liquid spillage, Wolfe Detail & Accessories will make reasonable efforts to clean the affected area and reapply interior protection where applicable. Removal of stains is not guaranteed.

WARRANTY EXCLUSIONS

- Solvent or chemical attack, including industrial oils, inks, permanent markers, glue, paint, corrosive substances, dyes, or bio-hazardous materials
- Fire, heat exposure, accident, collision, or malicious damage
- Manufacturer paint or surface defects, including orange peel, foreign matter, peeling, or delamination
- General deterioration through normal wear and tear
- Stone chips or impact damage
- Extreme weather conditions, including hail
- Scratching, swirl marks, or hazing caused by improper washing methods, including automated car washes, hand wash brushes, contaminated towels, mitts, sponges, car covers, or snow removal equipment
- Neglect, improper care, or poor maintenance
- Deviation from the Gtechniq wash process, products, or care guidelines

WARRANTY LIMITATIONS AND CLAIMS

This warranty is non transferable and applies only to the original owner of the vehicle. All warranty inspections and any corrective work must be facilitated exclusively by Wolfe Detail & Accessories. No third party repairs or corrections are authorized. Any warranty concern must be reported within the applicable warranty period, and the vehicle must be presented to Wolfe Detail & Accessories for inspection prior to any corrective work being performed.
