- Please Select One Option

- Option 1:** Select to have your personal information marked – DO NOT EMAIL - in Sierra’s customer database. By selecting this option, your email address will no longer be sent to any of our marketing partners. This option will not stop normal business email communications or specific email services that you have subscribed to previously. Remember, our business partners will have a separate/specific opt out link on their emails. Sierra does not maintain those lists. You will continue to receive service reminders, special parts order status and/or safety/recall related information. This option can only be reversed by selecting option 6 below.
- Option 2:** Select to have your personal information marked – DO NOT CALL - in Sierra’s customer database. Your phone number(s) will no longer be sent to any of our marketing partners. This option will not stop normal business communications between Sierra and you. This option can only be reversed by selecting option 6 below.
- Option 3:** Select to have your personal information marked – DO NOT TEXT - in Sierra’s customer database. Your cell/mobile phone number(s) will no longer be sent to any of our marketing partners. This option will not stop normal business communications between Sierra and you. This option can only be reversed by selecting option 6 below.
- Option 4:** Please DO NOT SHARE my Personal Information with your business partners. By selecting this option, none of your personal information will be sent to any of our business partners. This option will not stop normal business communications between you and Sierra required by State or Federal law. This option can only be reversed by selecting option 6 below.
- Option 5:** Select to have your ALL of your personal REMOVED in Sierra’s customer database. By selecting this option, Sierra will only keep that information required or exempted by State and/or Federal law. **This option can NOT be reversed.**
