# INFINITE POTENTIAL

We believe every driver is empowered with untold possibilities. To excel. To go as far as their drive will take them. See this take shape on the INFINITI QX30, where disruptive design and innovation elevate your style and abilities. Begin by crafting your QX30 for your individual journey. Every selection will transform vision into reality: Yours.

**GO BEYOND THE CITY** When the road gets slick, QX30 AWD adapts. On dry pavement, Intelligent All-Wheel Drive sends 100% of the power to the front wheels for fuel efficiency. But if road conditions change, the system automatically transfers up to 50% of the power to the rear wheels. The more in control you feel, the more confident you become—no matter how far out you go.

**DRIVE DESIGN FORWARD** While the QX30 Premium is shaped with gloss black wheel arches and side sills, the INFINITI QX30 Sport is styled with a flair all its own. Aggressive. Lower. With an attitude and stance reimagined to make you look twice.

## UPGRADE YOUR CAPABILITIES

How will your QX30 come to life? Born to challenge, it offers bold ideas for the driven. Create an interior as daring as you. Push the latest technology, and change your perception: About what an active crossover can achieve. And what you are truly capable of, both in and out of the city.

**CONFIGURE FOR ADVENTURE** Designed for your easy nature, every QX30 offers a wide square opening that makes loading and unloading incredibly easy. Pop open the rear liftgate and you'll have direct access to the cargo area, clear from any obstruction.<sup>3</sup> The 60/40 folding rear seats open up more space to carry more of your things while a middle pass-through holds your skis.<sup>2</sup> Opt for the Premium trim and a panoramic moonroof with power sunshade invites streaming natural light to add a spacious quality to the cabin.

**EXPRESS YOUR INDIVIDUALITY** Inside QX30, a choice of specialty color themes reflects a new mindset. Choose between the premium look and feel of Nappa leather-appointed seats in either graphite or wheat. The contemporary attitude of white Nappa leather-appointed seats revealed in the Gallery White Theme Package. Or the modern interpretation of a classic two-tone brown interior with Nappa leather-appointed seats found on the Café Teak Theme Package.<sup>2</sup>

**SEE EVERY SIDE** Gain a new perspective on what's around you when you select the Technology Package. With the Around View<sup>®</sup> Monitor with Moving Object Detection and Front and Rear Sonar System,<sup>2,3,4</sup> it's easier to see and maneuver in even the tightest spaces. Four cameras and one virtual 360° view from above elevate your parking expertise, alerting you when a moving object is detected close by.<sup>5</sup>

**PARK WITH EASE** Make parking look easy with the Technology Package. A first from INFINITI, Intelligent Park Assist uses a combination of 12 sensors to identify a parking area large enough for QX30. Simply engage the gearshift, press a button to confirm, and operate the accelerator and brake pedal. Your vehicle will steer itself smoothly—reversing in or parallel parking into your favorite spot at the café.<sup>2,6</sup>
