¹ Available on select models. ² Cargo and load capacity limited by weight and distribution. Always secure all cargo. ³ PFCW is intended to warn you before a collision occurs; it cannot prevent a collision. Speed and other limitations apply. See Owner's Manual for details. ⁴ FEB with Pedestrian Detection is not a replacement for responsible driving. May not provide warning or braking in certain conditions. Limitations apply. See Owner's Manual for details. ⁵ Available services/features may be shown. Compatible connected device may be required. Only use services/features and device when safe and legal to do so. Subject to GPS and wireless network availability and connection, and system/technology limitations. Text rates/data usage/subscription may apply. Some services/features provided by companies not within INFINITI or its partners' or agents' control and may be discontinued at any time. For more information, see retailer, owner's manual, or www.infinitiUSA.com/intouch/important-information. ⁶ Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ⁷ Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. External device not included. ⁸ Blind Spot Warning/Blind Spot Intervention Systems are not a substitute for proper lane change procedures. The systems will not prevent contact with other vehicles or accidents. They may not detect every vehicle or object around you. ⁹ AVM with MOD cannot completely eliminate blind spots and may not detect every object. MOD operates at vehicles speeds below 5 mph. Always check surroundings and turn to look behind you before moving vehicle. ¹⁰ The Sonar System is a convenience, not a substitute for proper parking and/or backing procedures. Always check that it is safe to do so before moving vehicle. May not detect every object. ¹¹ State laws may apply; review local laws before using. ¹² BCI will not detect every object, and speed limitations apply. Always check surroundings and turn to look behind you before moving vehicle. See Owner's Manual for details. ¹³ Distance Control Assist helps maintain a distance to the vehicle in front under certain conditions. Not a collision avoidance system. Failure to apply the brakes could result in an accident. ¹⁴ Intelligent Cruise Control is not a collision avoidance system or warning device. Designed to use limited braking. Failure to apply the brakes could result in an accident. ¹⁵ Towing capability varies by configuration. See INFINITI Towing Guide and Owner's Manual for additional information. ¹⁶ The Advanced Climate Control System with Plasmacluster air purifier helps scrub the air in the vehicle's interior. The system senses exterior odors, suppresses unpleasant interior odors, stops the inflow of external odors and helps keep the cabin smelling fresh, but does not always eliminate odors.

TO GO BEYOND

For those who dare to define themselves beyond the usual measures, there's INFINITI—an experience that challenges the limits of what's possible. See this take shape on the all-new INFINITI QX50, where design is elevated to an aspirational aesthetic and innovative technology empowers you to do more than you thought possible. Begin by crafting your QX50 for your personal journey. Every selection is designed around you, and your drive to go beyond.

START WITH A BLANK CANVAS It's the only way to create something that the world has never seen—a 5-door crossover that embodies the perfect balance of dynamism and purpose with INFINITI boldness. A new clamshell hood wraps over the fender. The large wheel-to-body ratio translates into daring proportions, while eye-inspired I-LED headlights in the Sensory Package speak to the future.

REFUSE TO COMPROMISE The biggest revolution in the internal combustion engine since its inception, the INFINITI Variable Compression Turbo is the world's first production engine that continuously transforms to optimize both power and efficiency. The multilink system flexes to lower the compression ratio when more power is needed and relaxes to raise the compression ratio when fuel efficiency is desired.

ENHANCE YOUR CAPABILITIES

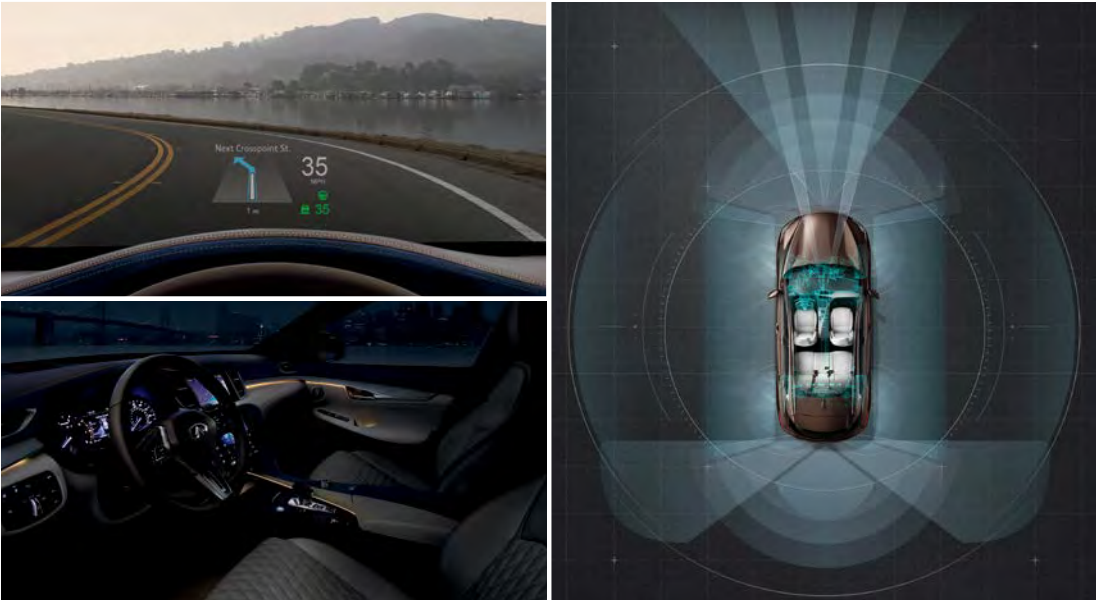

How will your QX50 come to life? Start with a modern interior that offers a trio of premium materials. Press a button and command the road with ease during traffic and long drives. Select advanced technologies that look out for you and empower you to do more, mile after mile.

SHOW YOUR SIGNATURE Express your unique personality with an interior as modern as you are. Choose the premium look of white semi-aniline leather seats with blue piping, a brown Ultrasuede® headliner and blue Ultrasuede® accents in the Autograph Package. Then illuminate the mood with extended interior ambient lighting in the Sensory Package that highlights the asymmetrical dash, console, door panels and footwells in a soft amber.

ADAPT TO ANYTHING Whatever comes your way, know that you are ready. Sliding second-row seats slide fore and aft almost 6-inches giving you the flexibility to enhance legroom or fit a child stroller lengthwise in the cargo area. Opt for the Sensory Package and step up to greater ease and convenience. A Motion Activated Liftgate automatically opens with a swing of your foot under the rear bumper for hands-free entry.

PUSH FOR LESS STRESS When technology advances to enhance the driver, you can cruise, follow and steer more effortlessly. Introducing INFINITI ProPILOT Assist in the ProACTIVE Package, a suite of semi-autonomous driving innovations that can brake, accelerate and steer for you. Push the button and ProPILOT Assist can help you brake for cars ahead, accelerate to your preset pace, and help steer within your lane, even around some curves. To further support the driver, a Heads-Up Display ensures information is where you need it, when you need it.

EXTEND YOUR AWARENESS Heighten your abilities with advanced safety technologies in the ProACTIVE Package. Lane Departure Prevention helps you maintain your lane by easing your QX50 towards the center of the lane if you start to drift. Looking ahead, Predictive Forward Collision Warning, an INFINITI world-first technology, continuously monitors not only the vehicle directly in front of you but also the vehicle in front of that one, to warn you of danger.
