

COLORADO 2020

CHEVROLET

Colorado Crew Cab Short Box ZR2 with
available ZR2 Midnight Special Edition.

Professional driver. Closed course.

MAKE THE LEAP.

You know you want this truck, and there's nothing holding you back. You want power? The available V6 offers 308 horsepower. With the available GM-exclusive Duramax® 2.8L Turbo-Diesel engine, Colorado offers a towing capability of up to 7700 lb. (3493 kg)¹ and 369 lb.-ft. of torque. Want to go farther? That same diesel helps Colorado achieve an estimated highway fuel consumption rating of 7.9 L/100 km². Or are you ready to leave roads behind? Colorado ZR2 is the truck built specifically to dominate the off-road while still excelling on pavement. 2020 Colorado. Why let anything stand in your way?

FIND NEW ROADS™

¹ Colorado 2WD with available 2.8L Turbo-Diesel engine and Z82 Trailering Package. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Colorado 2WD with available Duramax 2.8L Turbo-Diesel engine fuel consumption estimate is 11.8 L/100 km city and 7.9 L/100 km highway. Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary.

MODELS

WT

WT stands for Work Truck – and the name is a perfect fit.

You'll get a full day out of the reliable 2.5L 4-cylinder engine or the available 3.6L V6 engine² with 308 horsepower and 275 lb.-ft. of torque. The V6 is paired with an 8-speed automatic transmission.

Extended Cab models will accommodate your coworkers with dual rear seats, while Crew Cab models are ready for three passengers with a folding rear bench seat.

LT

When you want to take a step forward in style and comfort, count on Colorado LT to deliver.

Body-colour front and rear bumpers, chrome beltline mouldings and 17-in. Blade Silver Metallic-painted aluminum wheels provide instant appeal. An EZ-Lift power locking tailgate elevates the capability.

Comfort and convenience are top of mind with a power 6-way driver seat, a leather-wrapped steering wheel with audio controls and a Chevrolet Infotainment 3 Plus system³ with an 8-in. diagonal colour touch-screen.

Top: Colorado Crew Cab Short Box WT 4x4 in Summit White.

Bottom: Colorado Crew Cab Long Box LT in Shadow Grey Metallic (extra-cost colour) with available features and Chevrolet Accessories!

¹ Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details. ² Standard on Crew Cab Long Box 2WD and Crew Cab 4x4 models only. ³ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply.

MODELS

Z71

Paved roads are fine for most trucks, but Z71 prefers to find its own path.

You can have that attitude when your DNA includes the Z71 Off-Road Package with an automatic locking rear differential. Projector-beam headlamps, fog lamps and 17-in. Dark Argent Metallic-painted aluminum wheels create a distinct look.

Step into Z71 for your choice of exclusive Jet Black cloth/leatherette or available Jet Black leather-appointed seating² that's durable and easy to clean.

Colorado Crew Cab Short Box Z71 in
Kinetic Blue Metallic (extra-cost colour)
with available Chevrolet Accessories!

¹ Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details. ² Extra-cost interior. Available on Crew Cab only.

MODELS

ZR2

The trails won't stand a chance.

You're ready for a road-free day, thanks to driver-selectable front and rear electronic locking differentials and a Multimatic DSSV™ Damping System with selectable modes for desert, mud or mountain terrain. The 308-horsepower 3.6L V6 engine supplies the power. There's also nearly 2 in. (50 mm) of front and rear lift, and a 3.5-in. (90 mm) wider stance than found on any other Colorado. Tubular rocker protectors and skid plates help defend against damage.

The distinctive front fascia, grille and hood let everyone know ZR2 has arrived. And ZR2-specific Jet Black leather-appointed front bucket seats with embroidered head restraints let you know this is your off-road home away from home.

Top: Colorado Extended Cab ZR2 in Satin Steel Metallic (extra-cost colour) with available features.

Bottom: Colorado ZR2 interior with Jet Black leather-appointed seating and embroidered head restraints.

SPECIAL EDITIONS

Colorado Extended Cab ZR2 in Summit White
with available ZR2 Dusk Special Edition.

ZR2 DUSK

Sunrise. Sunset. Any time of day, the available ZR2 Dusk Edition makes a bold impression.

Form and function are both elevated with 17-in. Gloss Black-painted aluminum wheels, an off-road sport bar with ZR2 logo and LED off-road lights.

SPECIAL EDITIONS

Colorado Crew Cab Short Box ZR2 with
available ZR2 Midnight Special Edition.

ZR2 MIDNIGHT

Darkness is falling — and that's a good thing.

With the available ZR2 Midnight Edition, you'll get the same 17-in. Gloss Black-painted aluminum wheels, off-road sport bar with ZR2 logo and LED off-road lights as the Dusk Edition. But the fact that it's exclusively available with a Black exterior adds an attitude you'll only find in the dark.

SPECIAL EDITIONS

Colorado Crew Cab ZR2 in Red Hot
with available ZR2 Bison Edition.

ZR2 BISON

Forget the road less travelled. Go find the road not travelled at all.

We took the acclaimed off-road mid-size pickup — Colorado ZR2 — and created Bison. Partnering with American Expedition Vehicles (AEV), we added AEV-designed wheel flares and 17-in. wheels, along with AEV stamped steel front and rear bumpers.

Upping the off-road credentials are five hot-stamped boron steel skid plates, front winch provisions and rear recovery points¹. Adding to its appearance are a Chevrolet lettered grille, fog lamps, and AEV logos on the head restraints and floor liners.

¹ To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information.

SPECIAL EDITIONS

TRAIL RUNNER

Trail Runner combines incredible off-road ability with on-road appeal.

This special edition is grounded by the same Goodyear Wrangler DuraTrac® tires found on ZR2, plus ZR2 skid plates and ZR2 tubular rocker protectors. “Chevrolet” is stamped across the grille, and there’s a Black Chevrolet bowtie emblem on the tailgate. Available on Z71.

RST

The streets have met their match.

The dramatic grille announces the arrival of the RST Edition, reinforced by 20-in. Low Gloss Black-painted aluminum wheels, specific door badging, and a Black Chevrolet bowtie emblem and RST badge on the tailgate. Black beltline and bodyside mouldings complete the look. Available on LT.

Top: Colorado Crew Cab Short Box Z71 4x4 in Kinetic Blue Metallic (extra-cost colour) with available Trail Runner Special Edition.

Bottom: Colorado Crew Cab Short Box LT 4x4 in Summit White with available RST Special Edition.

SPECIAL EDITIONS

CUSTOM

Good looks. Great value. That perfectly embodies the Custom Edition, with 18-in. Dark Argent Metallic-painted aluminum wheels and body-colour grille, door handles, mirror caps and rear bumper. Plus, the convenience of built-in 4G LTE Wi-Fi® Hotspot² (data plan required). Available on WT.

Z71 MIDNIGHT

The Z71 Midnight Edition excels after dark with 17-in. Gloss Black-painted aluminum wheels, Black grille and Black Chevrolet bowtie emblems. Bold Z71 front door badging, a spray-on bedliner and a premium all-weather floor liner are included. Available on Z71 in Black.

Top: Colorado Crew Cab Short Box WT in Red Hot with available Custom Special Edition.

Bottom: Colorado Crew Cab Short Box Z71 in Black with available Z71 Midnight Edition and available features and Chevrolet Accessories!

¹ Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details. ² Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase.

SPECIAL EDITIONS

Colorado Extended Cab LT 4x4 in Silver Ice Metallic with available Redline Edition and available features.

REDLINE EDITION

There's a lot to take in with the Redline Edition, including Black-painted 18-in. aluminum wheels with Red accents, Black Chevrolet bowtie emblems and Redline-specific badging. It continues with Black mirror caps, door and tailgate handles, off-road assist steps, window trim, and grille and surround, plus Red recovery hooks¹ and a spray-on bedliner. Available on LT.

¹ To avoid the risk of injury, never use recovery hooks to tow a vehicle. See the Owner's Manual for more information.

INTERIOR DESIGN

THE ROOM YOU NEED.

- All seats are contoured for maximum support and legroom.
- Heated front seats and a heated steering wheel are standard on Z71 and ZR2 and available on LT.
- The centre console provides storage for your valuables. Crew Cab models feature a fold-down rear seat with hidden under-seat storage.
- A full-colour multi-function Driver Information Centre provides critical data when you need it. Standard on LT, Z71 and ZR2.

Colorado Crew Cab LT interior in Jet Black with available features.

The image shows the front interior of a Chevrolet vehicle. The steering wheel is black with a silver Chevrolet bowtie logo in the center and various control buttons on the left and right spokes. Behind the steering wheel is the instrument cluster with two large circular gauges (tachometer and speedometer) and a central digital display showing 'Speed' and '0 km/h'. To the right of the steering wheel is the center console featuring a large color touch-screen infotainment system. The screen displays a home screen with icons for Audio, Phone, Nav, WiFi Hotspot, Users, Settings, Apple Carplay, and Android Auto. Below the screen are physical buttons for power windows and door locks, and a gear shifter with a handbrake. The background shows a scenic view of a lake and mountains through the windshield, with a person on a bicycle visible in the distance.

TECHNOLOGY

CONNECTED TECH.

- The Chevrolet Infotainment 3 system¹ lets you arrange icons and features on the colour touch-screen. Just touch and swipe on the screen as you would on a smartphone.
- Steering wheel-mounted controls and Bluetooth® wireless technology² give you access to features on your compatible phone. Standard on LT, Z71 and ZR2.
- Two standard USB ports³ allow for easy smartphone plug-in.

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. ³ Not compatible with all devices.

**Apple CarPlay^{®1} compatibility for your iPhone[®] (shown)
and Android Auto^{™2} compatibility.**

**myChevrolet[®] App³ available to download, includes
remote vehicle start capability⁴ on Z71 and ZR2, available on LT.**

**Built-in 4G LTE Wi-Fi[®] Hotspot⁵ (data plan required), included
on LT, Z71 and ZR2 and available on WT, provides a fast
Internet connection for up to seven compatible devices.**

1 Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. **2** Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. **3** Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by model and/or vehicle configuration, device and the plan in which you are enrolled. Device data connection required. Visit onstar.ca for more details. **4** Requires subscription to Remote Access Plan or Premium Access Plan. Services are subject to user terms and limitations and vary by vehicle model and/or vehicle configuration. Remote start requires GM factory-installed and enabled remote start system. Visit onstar.ca for more details. **5** Standard on LT, Z71 and ZR2, available on WT. Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase.

POWERTRAIN

2.5L 4-CYLINDER ENGINE

- 200 horsepower and 191 lb.-ft. of torque.
- Up to 3500 lb. (1588 kg) maximum available towing^{1,2}
- Up to 1444 lb. (655 kg) maximum payload^{3,4}
- Highway fuel consumption estimate of 9.2 L/100 km^{5,6}
- City fuel consumption estimate of 12.1 L/100 km^{5,6}
- Dual Overhead Cam (DOHC).
- Variable Valve Timing (VVT).
- Direct Injection (DI).

3.6L DOHC V6 ENGINE

- 308 horsepower and 275 lb.-ft. of torque.
- Up to 7000 lb. (3175 kg) maximum available towing^{1,7,8}
- Up to 1578 lb. (716 kg) maximum payload^{3,4}
- Highway fuel consumption estimate of 9.6 L/100 km^{5,6}
- City fuel consumption estimate of 13.4 L/100 km^{5,6}
- Dual Overhead Cam (DOHC).
- Variable Valve Timing (VVT).
- Direct Injection (DI).

DURAMAX 2.8L TURBO-DIESEL ENGINE

- 181 horsepower⁹ and 369 lb.-ft. of torque.
- Up to 7700 lb. (3493 kg) maximum available towing^{1,6,7,8,10}
- Up to 1494 lb. (678 kg) maximum payload^{3,11}
- Highway fuel consumption estimate of 7.9 L/100 km^{5,6}
- City fuel consumption estimate of 11.8 L/100 km^{5,6}
- Dual Overhead Cam (DOHC).
- Direct Injection (DI).
- Exhaust Brake System.

¹ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ² Requires trailering equipment, available from Chevrolet Accessories. ³ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ⁴ Requires Crew Cab Short Box WT 2WD model. ⁵ Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary. ⁶ Requires 2WD model. ⁷ Requires available Z82 Trailering Package. ⁸ ZR2 model maximum available towing is 5000 lb. (2268 kg). ⁹ ZR2 model is rated at 186 horsepower. ¹⁰ 4x4 model maximum available towing is 7600 lb. (3447 kg). ¹¹ Requires Crew Cab Short Box LT 2WD model.

Colorado Crew Cab Long Box LT Diesel in Shadow Grey Metallic (extra-cost colour) with available Luxury Package and dealer-installed 5-in. Chrome Rectangular Assist Steps from Chevrolet Accessories¹

PERFORMANCE

ENGINEERED FOR EXCELLENCE.

The rugged fully boxed frame of Colorado provides maximum hauling capability. Strategic use of advanced high-strength steel reduces mass while reinforcing strength.

With a coil-over-shock front suspension, rear leaf springs, asymmetric rear shock placements and a wide track, Colorado is solid, smooth and capable.

Hitch Guidance² helps make lining up your hitch and trailer easy. Just shift into Reverse and press the Hitch Guidance button on the Rear Vision Camera² screen. A single guiding line appears on the screen to help you centre the hitch ball and trailer coupler. Standard on Z71 and ZR2, and available on WT and LT with Tow/Haul mode³

The available Duramax Turbo-Diesel in Colorado features a 4-valves-per-cylinder design that contributes to excellent performance. With an engine block made of durable cast iron, there's no doubt this engine was created specifically for trucks.

Electric Power Steering and Duralife[®] brake rotors help deliver a confident drive. An automatic locking rear

differential is standard on Z71 and available on WT and LT. Driver-selectable full locking front and rear differentials are standard on ZR2.

Both the electronically controlled 6-speed and available 8-speed automatic transmissions are equipped with Tow/Haul mode³ and auto grade braking. See the Specifications section for transmission availability.

¹ Accessory warranty coverage, if any, varies. See your GM Warranty Booklet or GM dealer for details. ² Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information. ³ Tow/Haul mode is included with the available 3.6L V6 engine on WT and LT or Duramax 2.8L Turbo-Diesel engine on LT.

SAFETY AND DRIVER ASSISTANCE

A COMMITMENT TO SAFETY IS ONE OF OUR GREATEST STRENGTHS.

Available Safety Package¹ This package, available on LT and Z71, includes Lane Departure Warning and Forward Collision Alert. LT also includes Rear Park Assist.

Lane Departure Warning. This camera-based system reads traffic lane markings when identifiable and provides alerts if you unintentionally drift out of your lane without using a turn signal. Available on LT and Z71 with Safety Package.

Forward Collision Alert. This feature monitors how close your vehicle is to the detected vehicle in front of you and can alert you to a potential crash. Available on LT and Z71 with Safety Package.

Rear Park Assist. When travelling in Reverse at low speeds, this feature can provide distance alerts when it detects certain stationary objects in close proximity behind the vehicle. Standard on Z71. Available on LT with Safety Package and WT with WT Convenience Package.

Rear Vision Camera. When travelling in Reverse at low speeds, this feature helps provide a view of the area immediately behind your Colorado. Standard on all models.

StabiliTrak® Electronic Stability Control. This system detects the difference between the path being steered and the direction the vehicle is actually travelling. It then uses the brake(s) and, if necessary, adjusts engine torque to help you keep your Colorado on track. Standard on all models.

Six airbags. Every Colorado offers six standard airbags² Sensors determine how many airbags deploy – including side airbags for the driver and front passenger.

Teen Driver. This technology helps encourage better driving habits by providing an in-vehicle report card that monitors the frequency of certain available safety technology feature activations, providing seat belt reminders including Buckle to Drive and muting the audio until front-seat occupants are buckled, and giving warnings when the vehicle is travelling over a predetermined speed. Standard on all models.

High-strength steel safety cage. The ladder-type frame is made from 83% high-strength steel and ultra-high-strength steel for enhanced occupant protection and reduced mass.

Safety starts with you. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

¹ Late availability on Z71. ² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information.

ACCESSORIES

Illuminated Black Bowtie
Emblem from Chevrolet
Accessories!

MAKE IT YOURS.

- Innovative solutions from Chevrolet Accessories let you organize and help secure your stuff. Put bikes, canoes and boards above the bed, and securely stow even more gear below.

1 A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. **2** Read the vehicle Owner's Manual for important feature limitations and information. **3** Late availability. **4** Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security coverage starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly.

¹ Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ² Visit my.gm.ca/Chevrolet/en/learnAbout/bluetooth for more information. Full Bluetooth feature functionality varies by device, model and/or vehicle configuration, and software version. ³ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁴ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ⁵ Additional data plan rates may apply. Available on select GM vehicles with compatible hardware. Third-party trademarks are the property of their respective third-party owners and used under agreement. Visit onstar.ca for service limitations, availability and service plan details. Requires active connected vehicle services and data plan or connection to an external Wi-Fi Hotspot. Vehicle data plans provided by AT&T or its local service provider. Services are subject to user terms and limitations. Visit onstar.ca for more details. ⁶ Detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁷ Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by model and/or vehicle configuration. Visit onstar.ca for more details. ⁸ Not compatible with all devices. ⁹ The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See myChevrolet.ca for more information. ¹⁰ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ¹¹ Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and/or vehicle configuration and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi Hotspot. Accessory Power must be active to use the Wi-Fi Hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ¹² Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security coverage starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. ¹³ Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. ¹⁴ Capabilities vary by model and/or vehicle configuration and service plan. Visit onstar.ca for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan.

¹ Gross Vehicle Weight Rating (GVWR) includes vehicle, passengers, equipment and cargo. ² These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb. ³ Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. ⁴ Requires LT model. ⁵ Requires WT model. ⁶ Requires trailering equipment, available from Chevrolet Accessories. ⁷ Requires available Z82 Trailering Package. ⁸ ZR2 model maximum available towing is 5000 lb. (2268 kg). ⁹ Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption will vary.

Experience Chevrolet Complete Care, a comprehensive package of owner benefits that are included with every new 2020 Chevrolet Colorado leased or purchased in Canada.

Other ownership privileges and programs:⁹

- Chevrolet Protection Plan – the only extended service plan backed by the resources and commitment of General Motors. The Chevrolet Protection Plan may be purchased at the time of vehicle sale or subsequently during the Base Warranty Coverage period.¹⁰
- Chevrolet Owner Centre – Everything you need to know. Anything you need to do. Your Chevrolet Owner Centre makes it easy. Create your account today to get the most out of your new vehicle. Get special alerts and offers, schedule service, review your maintenance schedule, and view how-to videos specifically for your vehicle. All online, anytime. Visit the Owner Centre today to register or take a tour. Find out more at mychevrolet.ca.
- Discount Programs – save on your next vehicle. Students or recent graduates,⁹ people with disabilities⁹ and military personnel⁹ you may be eligible¹¹ for a discount on select new Chevrolet vehicles leased or purchased. Combine your discount with great retail offers for an exceptional value. For full details on all programs offered in Canada, visit programs.gm.ca.
- GM Card® – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcards.ca.

Chevrolet ownership experience. Chevrolet is committed to enhancing the vehicle shopping and ownership experience through a wide array of programs. Visit chevrolet.ca to build and price, find a vehicle, request a quote, compare vehicles, find financial tools or track your vehicle order. You'll also find information about 24-hour Roadside Assistance, Courtesy Transportation, Customer Assistance, GM Mobility, safety and current incentives.

Important words about this brochure. Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions,

measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based on design and engineering drawings, prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the GM Midsize Pickup segment and the latest available competitive information. Excludes other GM vehicles.

Engines. Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

Assembly. Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

Fleet orders. Some standard content and owner benefits may be modified or deleted on fleet orders. See dealer for details.

An important note about alterations and warranties. Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.

Trademarks. The marks appearing in this brochure including, but not limited to, General Motors, GM, Chevrolet, the Chevrolet emblem, Colorado and their respective logos, emblems, slogans and vehicle model names and body designs; and other marks such as Autotrak, Duramax, Find New Roads, myChevrolet, OnStar, the OnStar emblem and StabiliTrak are trademarks of General Motors LLC, OnStar LLC and/or General Motors of Canada Company, its subsidiaries, affiliates or licensors. Apple, Apple CarPlay and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. American Expedition Vehicles and AEV are trademarks of American Expedition Vehicles, Inc., StreetCar ORV, LLC d/b/a American Expedition Vehicles, and/or other AEV related entities, which are registered in the U.S. and other countries. Bluetooth is a registered trademark of Bluetooth SIG, Inc. Bose is a registered trademark of the Bose Corporation. Facebook is a registered trademark of Facebook, Inc. DuraTrac and Wrangler are registered trademarks of THE GOODYEAR TIRE & RUBBER COMPANY. Goodyear is a registered trademark of GOODYEAR CANADA INC. © 2019 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are registered trademarks of Sirius XM Radio Inc. and are used under license. All rights reserved. Twitter is a trademark of Twitter, Inc. YouTube is a registered trademark and Android, Android Auto and Google Play are trademarks of Google LLC. Wi-Fi is a registered trademark of Wi-Fi Alliance.

© Copyright 2019 General Motors of Canada Company. All rights reserved. All text, images, graphics, and other materials in this brochure are subject to the copyright and other intellectual property rights of General Motors LLC and/or General Motors of Canada Company. These materials may not be reproduced, distributed or modified without the express written permission of General Motors LLC and/or General Motors of Canada Company. October 2019.

¹ Whichever comes first. ² Limit of two (2) Lube-Oil-Filter services during the program period. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Additional conditions and limitations apply. See participating dealer for details. ³ Conditions and limitations apply. See Warranty Booklet for details. ⁴ Conditions and limitations apply. See Owner's Manual for details. ⁵ Colorado WT requires a factory-installed equipment purchase. ⁶ Properly equipped Chevrolet vehicles are eligible for 1 month of Connected Services trial and OnStar Safety & Security Plan coverage, starting at trial activation date; includes emergency and navigation services, Connected Navigation, the Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial. Services subject to user terms and limitations; capabilities vary by model and/or vehicle configuration; visit onstar.ca for details. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. ⁷ Limitations apply. Not transferable. Standard connectivity available to original purchaser for 10 years from the trial activation date for properly equipped vehicles. Visit onstar.ca for details and further plan limitations. Connected Access does not include emergency or security services. Availability of Connected Access and any of its services is dependent on compatible 4G LTE wireless networks and is also subject to change. ⁸ Capabilities vary by model and/or vehicle configuration and service plan. Visit onstar.ca for vehicle availability. Message and data rates may apply. Requires active service, email address on file and enrollment in Vehicle Diagnostics. Not all issues will deliver alerts. On-Demand Diagnostics requires a paid service plan. ⁹ Conditions and limitations apply. ¹⁰ Please work with your dealer to select the plan that is suitable for your driving needs. Dealers are free to set their own prices. ¹¹ Subject to eligibility.
