

CANADIAN 2025 FLEET GUIDE

HOW TO USE THIS GUIDE

The 2025 GM Envolv Canadian Fleet Guide is an online publication that offers detailed specifications and information on our commercial vehicle lineup. It is best viewed using a web browser on a laptop or desktop computer. The information below explains how to navigate the guide and take full advantage of its functionality.

- 1 Menu:** Opens the table of contents.
- 2 Pulsing Arrow:** Click the item to engage its interactivity.
- 3 Home Button:** Return to the How to Use This Guide page.
- 4 Forward Arrow Button:** Navigate to the next page.
- 5 Back Arrow Button:** Navigate to the previous page.
- 6 GM Envolv Button:** Opens a new window to gmenvolve.ca.
- 7 Vehicle Name:** Click to bring up that vehicle's dimensions and capacities to the left. All vehicles are 2025 model year unless noted.
- 8 View Full Details Button:** Takes you to the features page for that vehicle.
- 9 Be Sure to Reference This Guide Regularly:** 2025 model year GM Envolv vehicles and vehicles in grey will be added in a future version of the guide.

The screenshot shows the 'ELECTRIC VEHICLES OVERVIEW' page. On the left, a vertical menu contains the text '2025 ELECTRIC VEHICLES' and a 'MENU' button. The main content area features a large image of a silver Chevrolet Equinox EV (2024) with a 'View Full Details' button. Below the image is a table of specifications. To the right, there is a grid of vehicle cards: Chevrolet Equinox EV (2024) with a pulsing arrow, Chevrolet Blazer EV (greyed out with a 'PHOTO COMING SOON' icon), Chevrolet Silverado EV (2024), BrightDrop Zevo 400, and BrightDrop Zevo 600. A vertical navigation bar on the right side of the page includes a home button, forward and back arrow buttons, and a GM Envolv logo button.

CHEVROLET EQUINOX EV (2024)	View Full Details
Overall length	4840 mm [190.5 in.]
Overall width (w/ mirrors folded)	1954 mm [76.9 in.]
Overall height	1646 mm [64.8 in.]
Max. seating capacity	5
Head room (front/rear)	994 mm/978 mm [39.1 in./38.4 in.]
Shoulder room (front/rear)	1489 mm/1408 mm [58.6 in./55.4 in.]
Leg room (front/rear)	1058 mm/965 mm [41.6 in./38.0 in.]
Max. cargo volume ¹ (w/ rear seats folded)	Up to 1619.9 L [57.2 cu. ft.]
Max. trailering capacity ² on a properly equipped vehicle	Up to 680 kg [1,500 lbs.]

envolve

HOW TO USE THIS GUIDE

- 1 Section Head:** Reveals the content/vehicles in the section.
- 2 Overview Link:** Takes you to the dimensions and capacities page for all vehicles in the section.
- 3 Vehicle Name:** Takes you to the features page for that vehicle.
- 4 Look Inside:** View an interior image of the vehicle. (NOTE: Click X to close the image.)
- 5 Overview Button:** Takes you to the vehicle's dimensions and capacities page.

The screenshot displays the Chevrolet Equinox EV product page on the GM Envolv website. A blue sidebar on the left contains a navigation menu with the following items: INTRODUCTION, ELECTRIC VEHICLES OVERVIEW, ELECTRIC SUV (with sub-items: Chevrolet Equinox EV, Chevrolet Blazer EV), ELECTRIC TRUCKS (with sub-item: Chevrolet Silverado EV), ELECTRIC VANS (with sub-item: BrightDrop Zevo 400/600), CAR/SUV, TRUCKS, VANS, SPECIALTY VEHICLES, and RESOURCES. The main content area features a large image of the silver Chevrolet Equinox EV. A 'Look Inside' button is overlaid on the image. To the right of the image, a 'HIGHLIGHTS' section lists key specifications: UP TO 513 KM [319 MILES] (Available GM-Estimated Electric Range on a Full Charge* (FWD Models)), STANDARD 17.7-INCH Diagonal Advanced Colour LCD Display, and UP TO 680 KG [1,500 LBS.] Max. Trailering Capacity*. Below the image, a 'STANDARD FEATURES' section is divided into three columns: PERFORMANCE (listing features like Ultium Battery system, DC fast charging, and FWD propulsion system), PRODUCTIVITY + DRIVE EXPERIENCE (listing features like Wi-Fi hotspot, audio system, and seating), and KEY AVAILABLE FEATURES (listing optional features like panoramic sunroof, climate control, and driver assistance). A 'Look Inside' button is also present in the top right corner of the main content area. A '5 ELECTRIC OVERVIEW' button is located at the bottom right of the main content area.

CONNECTIVITY & INSIGHTS THAT KEEP YOUR BUSINESS MOVING FORWARD

MAKE MANAGING YOUR FLEET EASIER.

Connect, protect and get the most out of your fleet with OnStar Business Solutions®. Access safety services, vehicle insights, API and data insights, and provide your workforce Wi-Fi® connectivity with built-in vehicle features. No matter how your business operates, there are options that can meet your needs simply by leveraging connected data from your vehicles, so you can be more effective at optimizing your bottom line.

Start turning your insights into action with OnStar Business Solutions.

Provide Peace of Mind

Protect your people and assets with a variety of connectivity features like Automatic Crash Response³², Stolen Vehicle Assistance³³ and In-Vehicle Coaching³⁴.

Optimize Operations

Review trip history and vehicle idle time details to make sure vehicles are operating as efficiently as possible.

Monitor Maintenance

Receive diagnostic information, such as low oil life and other vehicle health details.

Conquer Charging

Easily locate charge stations on the same map view as your fleet vehicles.

PARTS & SERVICE PROGRAMS TO MAXIMIZE UPTIME

Being a GM Envolve customer gives you access to a variety of parts and service programs that can help keep your fleet more efficient and productive, no matter how you service your vehicles. From support tools to information about limited warranties and vehicle maintenance contracts, there's help available every step of the way.

Gain Access to Our Specialized Dealer Network

Designed to help meet your fleet needs, General Motors is proud of our wide array of brands and services. With a nationwide network of more than 460 dealerships, fleets will be able to take advantage of GM's size to meet their service needs.

Nationwide Dedicated Business Elite Dealers

Our commercially focused Business Elite Dealer Network can accommodate your unique needs with extended service hours, custom bays made for big vehicles with upfits and technicians specially trained for your fleet's needs.

Find Quality Parts You Can Count On

GM Genuine Parts and ACDelco Original Equipment are designed specifically to the precise engineering of Chevrolet, Buick, GMC and Cadillac vehicles. Plus, we offer ACDelco Gold and Silver parts for all your aftermarket needs.

ACDelco Parts

Get parts you can depend on with GM Genuine Parts and ACDelco. These are original equipment parts installed on GM Envolve vehicles during production. Each component is designed, engineered and rigorously tested to the highest standard and backed by General Motors.

2024 MODEL YEAR LIMITED WARRANTY

2024 Model Year General Motors of Canada Company Warranty for Eligible Fleet Customers

Running a business means you've got a lot to think about. That's why our comprehensive 2024 model year Limited Warranty Programs are designed for a worry-free GM Envolv ownership experience.

CHEVROLET, GMC AND BUICK BRAND VEHICLES

New vehicle limited warranty coverages described herein are applicable only to Qualified Fleet Customers who have taken delivery of an eligible new Chevrolet, GMC or Buick brand vehicle in Canada.

**3-YEAR or 60,000-KM¹
TRANSFERABLE BASE WARRANTY COVERAGE²**
+
**5-YEAR or 100,000-KM¹
TRANSFERABLE POWERTRAIN COMPONENT WARRANTY COVERAGE²**

In addition to the 3-year/60,000-km^{1,2} base warranty coverage, 2024 model year Chevrolet, GMC and Buick passenger cars, light-duty trucks and vans come with a 5-year/100,000-km^{1,2} (5-year/160,000-km^{1,3} provided to Qualified Fleet Customers [rental deliveries excluded] who have taken delivery of an eligible new Chevrolet or GMC brand vehicle in Canada) Powertrain Component Warranty Coverage that:

- has a \$0 deductible
 - is transferable² to another owner at no charge
1. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions, and coverage periods pertaining to the warranties. The Owner's Manual contains important information that may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.
 2. The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.
 3. Conditions and Limitations apply, see Warranty Booklet for details. In Canada, all new 2024 model year Chevrolet or GMC brand vehicles receive a 5-year or 100,000-km (whichever comes first) Powertrain Component Warranty Coverage; except that new 2024 model year Chevrolet or GMC brand vehicles equipped with a Duramax[®] Turbo-Diesel engine receive a

CADILLAC BRAND VEHICLES

New vehicle limited warranty coverages described herein are applicable only to Qualified Fleet Customers who have taken delivery of an eligible new Cadillac brand vehicle in Canada.

**4-YEAR or 80,000-KM¹
TRANSFERABLE BASE WARRANTY COVERAGE²**
+
**6-YEAR or 110,000-KM¹
TRANSFERABLE POWERTRAIN COMPONENT WARRANTY COVERAGE²**

In addition to the 4-year/80,000-km¹ base warranty coverage, 2024 model year Cadillac cars and SUVs come with a 6-year/110,000-km¹ Powertrain Component Warranty that:

- has a \$0 deductible
 - is transferable² to another owner at no charge
1. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions, and coverage periods pertaining to the warranties. The Owner's Manual contains important information that may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.
 2. The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.

IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES:
Installations or alterations to the original-equipment vehicle or chassis distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The independent special body company, assembler, equipment installer, or upfitter is solely responsible for warranties for any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies manufactured by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such independent suppliers.

ELECTRIC VEHICLES

New vehicle limited warranty coverages described herein are applicable only to Qualified Fleet Customers who have taken delivery of an eligible new General Motors electric vehicle in Canada.

**3-YEAR or 60,000-KM¹
TRANSFERABLE BASE WARRANTY COVERAGE**
+
**8-YEAR or 160,000-KM¹
ELECTRIC VEHICLE PROPULSION BATTERY WARRANTY**

1. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions, and coverage periods pertaining to the warranties. The Owner's Manual contains important information that may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.

CADILLAC PROFESSIONAL

2024 Cadillac XT6

2024 Cadillac Escalade

2024 Cadillac Escalade ESV

2024 Cadillac XT5

U.S. models shown with optional equipment.

PROFESSIONAL VEHICLE LIMITED WARRANTY¹

ESCALADE/ESCALADE ESV/XT5/XT6 LIVERY UP TO 3 YEARS/240,000 KM²
XT5 LIMOUSINE³/FUNERAL HEARSE³ UP TO 6 YEARS OR 160,000 KM²

Offer your clients the iconic prestige they deserve with Cadillac Professional. Richly appointed and crafted for perfection, each Cadillac livery vehicle is meticulously designed to exude sophistication and envelop passengers in luxury and comfort.

Eligible livery vehicles offer the confidence of the Cadillac Professional Vehicle Limited Warranty. This available comprehensive package covers key components for up to 3 years or 240,000 kilometres² or up to 6 years or 160 kilometres² depending on the vehicle and the program. Plus, Cadillac premium care maintenance⁴ and 24-hour Roadside Assistance⁵ help keep your vehicles on the road.

The Cadillac Professional Vehicle Limited Warranty is an extended warranty for Cadillac Professional Vehicles that runs concurrently with the Cadillac New Vehicle Limited Warranty. Vehicles equipped with the Professional Vehicle Limited Warranty will not have the Cadillac Powertrain Limited Warranty.

¹ Following the time or odometer expiration of the Cadillac 4 year/80,000 km (whichever comes first) New Vehicle Limited Warranty, vehicle repairs of systems and components under Professional Vehicle Limited Warranty will be made without charge, including parts and labour, except for the first \$50.00 of repairs costs, (2019 and Prior Model Years. 2020 and Subsequent Model Years have no Deductible) incurred at each service visit to a participating Cadillac dealer. Coverage through this plan begins on the date the vehicle is first delivered or put into use. This will be the date the Cadillac Service Agent sells the short stretch chassis (W30), limousine chassis (V4U), or funeral coach (hearse) chassis (B9Q) to the Cadillac Master Coachbuilder. The actual selling date can be modified for the end customer if the selling Cadillac Service Agent or Cadillac Master Coachbuilder Dealer/Distributor submits a "Delayed Warranty Start" form. Repairs must be performed by authorized Cadillac Service Agent Facilities. ² Whichever comes first. See dealer for Professional Vehicle Limited Warranty details. ³ Any parts added or modified for conversion are excluded from protection. Conversions are expected to meet Canada Motor Vehicle Safety Standards (CMVSS) when completed, and be within weight limitations as specified by GM. ⁴ Maintenance visit must occur within first year of vehicle delivery. Service visit consists of ACDelco Oil and Filter Change/Tire Rotation/MPVI. Does not include air filters. See participating dealer for other restrictions and complete details. ⁵ 6-year/160,000-kilometres Roadside Assistance. Whichever comes first. See dealer for details.

FLEET ACCOUNT NUMBER

U.S. model shown with optional equipment.

envolve

HOW TO ESTABLISH A NEW GM ENVOLVE

FLEET ACCOUNT NUMBER (FAN)

DETERMINE IF A PROSPECT IS QUALIFIED

Fleet Account Numbers are assigned to Qualified Fleet Users (defined below) upon application to General Motors and GM Envolve (GM) through the GM Fleet Account Number System (GMFANS).

ENROLLMENT FORM TERMS AND CONDITIONS

A “Qualified Fleet Customer” is defined as:

- A business organization that maintains a minimum of five (5) vehicles licensed and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that, after its present acquisition, will maintain five (5) or more vehicles licensed and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that places an order for or purchases three (3) or more new GM vehicles at one time for business purposes; supporting documentation must be retained by the dealer and made available to GM Canada upon request
- Government/Government Regulated Utilities/Public Schools/Medical Hospitals – no existing fleet or minimum number of orders at one time is required

New motor vehicles ordered under fleet must be delivered to a Qualified Fleet Customer. In addition, vehicles must be registered and kept in fleet service in Canada by the first Qualified Fleet Customer for a minimum of six (6) months and 12,000 km from the date of delivery.

By executing the Enrollment Form, the Fleet Customer certifies and agrees that no motor vehicles will be purchased or leased, directly or indirectly, for export, sale, or use outside of Canada (excluding use related to occasional business and/or personal travel) and no such sale, use, or export will occur. Fleet Customer also agrees that it will not induce, by any means, any dealer to breach the export and/or resale terms of their Dealer Agreement with GM Canada or any of the terms of this agreement and acknowledges that it will be responsible in damages to GM Canada and its affiliates for any such interference with the contractual terms between GM Canada and a dealer or any breach of this agreement.

Violation of this policy by a dealer or a Qualified Fleet Customer will result in a chargeback to the dealer or Qualified Fleet Customer and may include dealer or Qualified Fleet Customer (or both) being disqualified from further participation in fleet programs. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

Additional Qualified Fleet Customer eligibility requirements for specific fleet programs, as issued by GM Canada to its dealers from time to time, will be made available to Qualified Fleet Customers by the selling dealer as required. The Qualified Fleet Customer further agrees to provide, upon request by GM Canada or the selling dealer, access to original business records confirming that vehicles were registered, used, and transferred only in accordance with GM Canada program requirements.

In the event (1) a Qualified Fleet Customer orders new motor vehicles from a dealer and identifies them as fleet units eligible for GM Canada Fleet (GM Envolve) programs, and (2) the vehicles are not used by Qualified Fleet Customer in accordance with program requirements, GM Canada will take appropriate action, which may include the disqualification of the Qualified Fleet Customer and/or dealer from future participation in fleet programs, and the issuance of a chargeback against the dealer and the Qualified Fleet Customer for any special allowances, incentives, special option packages, or other promotional programs which GM Canada paid or credited to the dealer or identified Qualified Fleet Customer as a result of inaccurate representations. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

ABOUT THIS GUIDE

envolve

THIS MATERIAL IS NOT INTENDED FOR, OR APPROVED FOR USE IN, ADVERTISING

Some of the equipment shown or described throughout this guide may be available at extra cost and/or supplied by an independent supplier. We have tried to make this guide comprehensive and factual. We reserve the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models, and availability. Specifications, dimensions, measurements, ratings, and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes, and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of release, please check with your GM dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims are based on the latest available competitive information. Excludes other GM vehicles.

GM vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries, or suppliers to GM worldwide. We sometimes find it necessary to produce GM vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

See your local GM Envolve Account Manager or Dealer Fleet/Commercial Sales Manager, or go to gmenvolve.ca for up-to-date information.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.

LEGAL DISCLOSURES

1. Cargo and load capacity limited by weight and distribution.
2. When properly equipped. Available engine or equipment may be required. See dealer for required specifications. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. See dealer for details.
3. Premium paint; additional cost.
4. GM estimated using Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Actual range will vary based on several factors, including temperature, terrain, battery age, vehicle model, loading, use and maintenance.
5. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings, and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
6. Requires professional installation of an 11.5-kW (up to 48-amp max. output) wall charger on a dedicated 240V/60A circuit, sold separately. May require upgrades to the building's electrical service, panel or wiring. Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations.
7. Requires use of public DC fast chargers providing at least 150 kW, which are very limited in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details & limitations.
8. Service varies with conditions and location. The vehicle must be on or Accessory power must be active to use the Wi-Fi® hotspot. Requires active service plan that includes data or paid data plan from AT&T or its local service provider.
9. Services enabled by Google Built-in are subject to change at any time. Functionality may require one or more service plans. Certain Google actions and functionality may require account linking. Connectivity is dependent on compatible wireless networks provided by third-party wireless service providers and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of vehicle connectivity. Services, connectivity, and capabilities are subject to terms and limitations and vary by model, vehicle configuration, conditions, and geographical and technical restrictions. See onstar.ca for details and limitations. Google, Google Maps and other related marks and logos are trademarks of Google LLC.
10. Go to my.gm.ca to find out which phones are compatible with the vehicle.
11. OnStar One Standard includes access to select remote commands through your vehicle's mobile app (compatible smartphone required) and Automatic Crash Response (not all vehicles may transmit all crash data; OnStar links to emergency services). Paid subscription required after expiry. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity, and capabilities are subject to terms and limitations and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions. Non-refundable and no cash value. See onstar.ca for details.
12. Does not detect people or items. Always check rear seat before exiting vehicle.
13. Front recovery hooks are for vehicle recovery only. To avoid the risk of injury, never use recovery hooks to tow a vehicle.
14. Subscriptions sold separately by SiriusXM after the trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates, plus fees and taxes, until you call 1-888-539-7474 to cancel. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.ca to see complete terms. Content varies by SiriusXM subscription package. ©2024 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence. SiriusXM Canada products, programming, fees and services are subject to change.
15. Subscriptions sold separately by SiriusXM after the trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates, plus fees and taxes, until you call 1-888-539-7474 to cancel. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.ca to see complete terms. Some services and features are subject to device capabilities and location availability. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless GM connected vehicle services is enabled in the vehicle. Content varies by SiriusXM subscription package. ©2024 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence. SiriusXM Canada products, programming, fees and services are subject to change.
16. Not compatible with all devices.
17. Always pay attention while driving and when using Super Cruise. Do not use a hand-held device. See chevroletercruise.ca for compatible highways and more information. Requires active Super Cruise trial or paid subscription. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services.
18. Services, connectivity, and capabilities are subject to terms and limitations and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions. See onstar.ca for details.
19. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb.
20. Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo, and equipment.
21. Feature may be limited when battery temperatures are extremely cold or hot or when battery is near full charge. Always use the brake pedal when you need to stop immediately. See Owner's Manual for details.
22. CarPlay® interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone®. Data plan rates apply. CarPlay, Siri and iPhone are trademarks of Apple Inc.
23. Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC.
24. Includes Automatic Emergency Braking, Front Pedestrian Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, IntelliBeam and Following Distance Indicator.
25. Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates may apply.
26. The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See my.gm.ca for more information.
27. IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES: Installations or alterations to the original-equipment vehicle or chassis distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The independent special body company, assembler, equipment installer, or upfitter is solely responsible for warranties for any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies manufactured by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such independent suppliers.
28. Requires professional installation of a 19.2-kW (up to 80-amp max. output) wall charger on a dedicated 240V/100A circuit, sold separately. May require upgrades to the building's electrical service, panel or wiring. Actual charge times will vary based on battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details and limitations.
29. Requires use of public DC fast chargers providing at least 190 kW, which are very limited in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details & limitations.
30. Programming of four additional remotes is at customer's expense. Programming remotes is not a warranty expense.
31. Requires use of public DC fast chargers providing at least 350 kW, which are very limited in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details & limitations.
32. OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. Advisors certified by the International Academies of Emergency Dispatch®.
33. Requires a select service plan, working electrical system, cell reception, GPS signal, armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss.
34. Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt and GM vehicles built without OnStar hardware, which includes, but is not limited to, select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostic capabilities vary by vehicle model. Not all issues will deliver alerts. Message and data rates may apply. In-Vehicle Coaching features vary by vehicle model and year. See onstarvehicleinsights.ca for details and limitations.
35. Period for Super Cruise connectivity begins on vehicle delivery date. Paid subscription is required after trial period expires. Conditions apply. See chevroletercruise.ca for details.
36. Includes access to select remote commands through your vehicle's mobile app (compatible smartphone with data connection required). Paid subscription required after expiry. Services are dependent on compatible wireless networks provided by third-party wireless service providers, working vehicle electrical systems, GPS signal and other factors outside GM control. Changes in technology and wireless networks may limit or prevent the operation of certain services. Services, connectivity, and capabilities are subject to terms and limitations and will vary by model, vehicle configuration, conditions, and geographical and technical restrictions. Non-refundable and no cash value. Up to 8 year period begins from date of vehicle delivery. See onstar.ca for details.
37. Requires use of public DC fast chargers providing at least 120 kW, which are very limited in Canada and may not be available in certain areas. Maximum charge rate is subject to network availability. Actual charge times will vary based on battery starting state of charge, battery condition, output of charger, vehicle settings and battery temperature. See the Owner's Manuals for your vehicle and charger for additional details & limitations.
