FLEET GUIDE

GM FLEET

WHY CHOOSE GM FLEET | ELECTRIC VEHICLES | CARS/SUVs | TRUCKS | VANS | SPECIALTY VEHICLES | RESOURCES

As General Motors continues to electrify the automotive industry, we are committed to providing your businesses with more EV options.

Production of vehicles engineered on GM's flexible, fully electric Ultium architecture is accelerating, and our team can help you prepare to integrate them into your fleet.

With many recent investments and partnerships in Canada, we continue to secure our EV future and work toward our vision of zero crashes, zero emissions and zero congestion. General Motors' rapidly growing EV portfolio will continue to expand, starting with the all-new, fully electric Chevrolet Blazer EV, Equinox EV and Silverado EV. This is just the start of our plans to bring new, fleet-focused electric vehicles to the market in the years to come.

The GM Canada Fleet team is here to support your business as it transitions along with the industry. But we also understand your current fleet consists of gas and diesel vehicles. Be assured we offer the business solutions you need today, and we can help you prepare for what your fleet will look like tomorrow.

Our fleet experts are dedicated to helping with whatever you need. Just reach out to our team to let us know how we can help. We are ready to get to work for your business!

DAVE WATSON
DIRECTOR OF FLEET AND COMMERCIAL SALES
GENERAL MOTORS OF CANADA

We Specialize in Your Business.

Make your fleet more efficient, sustainable and successful with General Motors Fleet. We go beyond the vehicle to offer the right solutions, support and service to help your business grow.

Vehicles Ready to Work

When you need work-ready fleet vehicles to get the job done, look no further than GM Canada Fleet. Our lineup of electric vehicles, cars, SUVs, trucks, vans and specialty vehicles are up to the demanding task.

Specialized Fleet Support

Get expert advice and help throughout the purchase, finance and upfitting[26] process from our experienced Fleet Support Staff, Business Elite Dealers and Fleet Account Managers.

Dealers That Get Your Needs

No one understands your business better than our Chevrolet and GMC Business Elite dealers. They're available to help you build and maintain your fleet, with commercially focused dealership personnel to provide the support and services you need.

460+ Dealers

Delivering and servicing your vehicles with our nationwide GM dealer network

Ready When You Are

EV READINESS

Electric Made Easy.

Start planning your fleet's transition to electric vehicles with our experts. From selecting the right EVs to setting up your charging infrastructure, our comprehensive support system can help your business prepare for an electrified future.

EVs for Every Need

We're ready to help you meet the electric future head on with an expanding lineup of vehicle options for varying types of business and purposes.

Simplified Charging Solutions

We help identify and implement the right solutions, including planning, financing, operating and maintaining your charging infrastructure. Leverage our collaborations with eTransEnergy, InCharge Energy, Qmerit and Schneider Electric, along with GM's existing relationships, for fleet EV charging infrastructure needs.

Products for More Efficient Deliveries

Transform your delivery operations from first to last kilometre with BrightDrop – solutions designed to help make deliveries smarter, safer and more efficient. Explore the lineup of Canadian-built BrightDrop products at **gm.ca.**

2024 MODEL YEAR GENERAL MOTORS OF CANADA COMPANY

WARRANTY FOR ELIGIBLE FLEET CUSTOMERS

Running a business means you've got a lot to think about. That's why our comprehensive 2024 model year Limited Warranty Programs are designed for a worry-free GM Fleet ownership experience.

CHEVROLET GMC BUICK CADILLAC

CHEVROLET, GMC AND BUICK BRAND VEHICLES

New vehicle limited warranty coverages described herein are applicable only to Qualified Fleet Customers who have taken delivery of a new, eligible Chevrolet, GMC or Buick brand vehicle in Canada.

3-YEAR or 60,000-KM[1]

TRANSFERABLE BASE WARRANTY COVERAGE[2]

+

5-YEAR or 100,000-KM[1]

TRANSFERABLE POWERTRAIN COMPONENT WARRANTY COVERAGE[2]

In addition to the 3-year/60,000-km[1,2] base warranty coverage, 2024 model year Chevrolet, GMC and Buick passenger cars, light-duty trucks and vans come with a 5-year/100,000-km[1,2] (5-year/160,000-km[1,3] provided to Qualified Fleet Customers [rental deliveries excluded] who have taken delivery of a new eligible Chevrolet or GMC brand vehicle in Canada) Powertrain Component Warranty that:

- has a $0 deductible
- is transferable[2] to another owner at no charge

1. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions, and coverage periods pertaining to the warranties. The Owner's Manual contains important information that may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.
2. The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.
3. Conditions and Limitations apply, see Warranty Booklet for details. In Canada, all new 2024 model year Chevrolet or GMC brand vehicles receive a 5-year or 100,000-km (whichever comes first) Powertrain Component Warranty; except that new 2024 model year Chevrolet or GMC brand vehicles equipped with a Duramax® Turbo-Diesel engine receive a 5-year or 160,000-km (whichever comes first) Powertrain Component Warranty and certain new eligible 2024 model year Chevrolet or GMC brand vehicles delivered to qualified Commercial Fleet and/or Government Fleet customers receive a 5-year or 160,000-km (whichever comes first) Powertrain Component Warranty.

IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES:
Installations or alterations to the Original Equipment (OE) vehicle or chassis as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.

CADILLAC BRAND VEHICLES

New vehicle limited warranty coverages described herein are applicable only to Qualified Fleet Customers who have taken delivery of a new, eligible Cadillac brand vehicle in Canada.

4-YEAR or 80,000-KM[1]

TRANSFERABLE BASE WARRANTY COVERAGE[2]

+

6-YEAR or 110,000-KM[1]

TRANSFERABLE POWERTRAIN COMPONENT WARRANTY COVERAGE[2]

In addition to the 4-year/80,000-km[1] base warranty coverage, 2024 model year Cadillac cars and SUVs come with a 6-year/110,000-km[1] Powertrain Component Warranty that:

- has a $0 deductible
- is transferable[2] to another owner at no charge

1. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions, and coverage periods pertaining to the warranties. The Owner's Manual contains important information that may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.
2. The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.

IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES:
Installations or alterations to the Original Equipment (OE) vehicle or chassis as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.

See 2024 **Chevrolet/GMC/Buick Warranty Booklet**. See 2023 **Cadillac Warranty Booklet**.

HOW TO ESTABLISH A NEW GM FLEET ACCOUNT NUMBER (FAN)

A. DETERMINE IF A PROSPECT IS QUALIFIED

Fleet Account Numbers are assigned to qualified fleet companies in Canada upon application to General Motors of Canada Company ("GM") through the Global Fleet Sales System (GFSS).

ENROLLMENT FORM TERMS AND CONDITIONS

A "Qualified Fleet Customer" is defined as:

- A business organization that maintains a minimum of five (5) vehicles licensed and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that, after its present acquisition, will maintain five (5) or more vehicles licensed and registered in the company and/or owner/operator name and used for business purposes, or
- Business organization that places an order for or purchases three (3) or more new GM vehicles at one time for business purposes; supporting documentation must be retained by the dealer and made available to GM Canada upon request
- Government/Government Regulated Utilities/Public Schools/Medical Hospitals — no existing fleet or minimum number of orders at one time is required

New motor vehicles ordered under fleet must be delivered to a Qualified Fleet Customer. In addition, vehicles must be registered and kept in fleet service in Canada by the first Qualified Fleet Customer for a minimum of six (6) months and 12,000 km from the date of delivery.

By executing the Enrollment Form, the Fleet Customer certifies and agrees that no motor vehicles will be purchased or leased, directly or indirectly, for export, sale, or use outside of Canada (excluding use related to occasional business and/or personal travel) and no such sale, use, or export will occur. Fleet Customer also agrees that it will not induce, by any means, any dealer to breach the export and/or resale terms of their Dealer Agreement with GM Canada or any of the terms of this agreement and acknowledges that it will be responsible in damages to GM Canada and its affiliates for any such interference with the contractual terms between GM Canada and a dealer or any breach of this agreement.

Violation of this policy by a dealer or a Qualified Fleet Customer will result in a chargeback to the dealer or Qualified Fleet Customer and may include dealer or Qualified Fleet Customer (or both) being disqualified from further participation in fleet programs. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

Additional Qualified Fleet Customer eligibility requirements for specific fleet programs, as issued by GM Canada to its dealers from time to time, will be made available to Qualified Fleet Customers by the selling dealer as required. The Qualified Fleet Customer further agrees to provide, upon request by GM Canada or the selling dealer, access to original business records confirming that vehicles were registered, used, and transferred only in accordance with GM Canada program requirements.

In the event (1) a Qualified Fleet Customer orders new motor vehicles from a dealer and identifies them as fleet units eligible for GM Canada Fleet programs, and (2) the vehicles are not used by Qualified Fleet Customer in accordance with program requirements, GM Canada will take appropriate action, which may include the disqualification of the Qualified Fleet Customer and/or dealer from future participation in fleet programs, and the issuance of a chargeback against the dealer and the Qualified Fleet Customer for any special allowances, incentives, special option packages, or other promotional programs which GM Canada paid or credited to the dealer or identified Qualified Fleet Customer as a result of inaccurate representations. In the event of such a chargeback to the dealer, the Qualified Fleet Customer agrees to reimburse the dealer.

B. IF A PROSPECT IS QUALIFIED

A General Motors dealer is required to submit an enrollment application through GM Global Connect. The enrollment application can be found on the GM Global FANs website. The following information is required:

1. Name of business
2. Both physical and mailing addresses (if different)
3. Phone number
4. Email address
5. Fleet composition
6. Qualified Fleet Customer Enrollment Form

Upon completion of the enrollment application on the website, the dealer will submit this document electronically. Upon processing, a General Motors FAN will be issued, and the requesting dealer will be advised of the FAN via email.

All supporting documentation of the prospect's fleet eligibility must be retained at the dealership submitting the enrollment application.

IMPORTANT

Information contained in this reference guide is intended to be a quick reference digest only. In no way does it supersede program dealer letters or guidelines. To assure accuracy, check official documents before placing any orders. Specific questions or requests for assistance should be addressed to GM Fleet Action Centre.

THIS MATERIAL IS NOT INTENDED FOR, OR APPROVED FOR USE IN, ADVERTISING

Some of the equipment shown or described throughout this guide may be available at extra cost and/or supplied by an independent supplier. We have tried to make this guide comprehensive and factual. We reserve the right to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models, and availability. Specifications, dimensions, measurements, ratings, and other numbers in this guide and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings, prototypes, and laboratory tests.

Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of release, please check with your GM dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims are based on the latest available competitive information. Excludes other GM vehicles.

GM vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries, or suppliers to GM worldwide. We sometimes find it necessary to produce GM vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

See your local General Motors Fleet Account Manager or Dealer Fleet/Commercial Sales Manager, or go to **gmfleet.ca** for up-to-date information.

TRADEMARK

The marks appearing in this guide including, but not limited to: (i) GM and the GM Logo; (ii) Chevrolet, Buick, Cadillac, and GMC and their respective logos, emblems, slogans, and vehicle model names and body designs; and (iii) other marks, such as Autotrac, GM Fleet, Duralife, Duramax, Ecotec, Magnetic Ride Control, QuietTuning, Regen On Demand, SkyScape, StabiliTrak, UltraView, Z71 and ZR2, are trademarks and/or service marks of GM, its subsidiaries, affiliates, or licensors. OnStar and the OnStar emblems are registered trademarks of OnStar LLC.

Apple CarPlay is a trademark of Apple Inc. Siri, iPhone, and Apple Music are trademarks of Apple Inc, registered in the U.S. and other countries. Android Auto is a trademark of Google LLC. Brembo is a registered trademark of FRENI BREMBO S.P.A. The Bluetooth word mark is a registered trademark owned by Bluetooth SIG, Inc. Wi-Fi is a registered trademark of Wi-Fi Alliance. Bose and Centerpoint are registered trademarks of the Bose Corp. SiriusXM, the SiriusXM logo, channel names, and logos are trademarks of SiriusXM Radio Inc. and are used under licence. HD Radio is a registered trademark of iBiquity Digital Corporation in the United States and/or other countries. Allison Transmission is a trademark of Allison Transmission, Inc. Michelin Selfseal is a registered trademark of Michelin North America.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES

Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer, or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials, or workmanship of any alterations by such suppliers.

LEGAL DISCLOSURES

1. Cargo and load capacity limited by weight and distribution.
2. Does not detect people or items. Always check rear seat before exiting vehicle.
3. Whichever comes first. Coverage begins on the date the vehicle is delivered and ends at the expiration of the applicable coverage period ("Coverage Period"). Your vehicle's Warranty Booklet contains conditions, limitations, restrictions and exclusions and coverage periods pertaining to the warranties and the Owner's Manual contains important information, which may impact you maintaining your warranties. See your Warranty Booklet and Owner's Manual for details.
4. Premium paint; additional cost.
5. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings, and road conditions at all times. Visibility, weather, and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.
6. Available on model year 2024 WT. Based on preliminary GM testing. Actual production model may vary. May require optional trailering equipment to achieve maximum capacity. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
7. GM estimated for 24MY WT.
8. Includes Automatic Emergency Braking, Lane Keep Assist with Lane Departure Warning, Forward Collision Alert, Front Pedestrian Braking, Following Distance Indicator and IntelliBeam®. Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.
9. Service varies with conditions and location. The vehicle must be on or Accessory power must be active to use the Wi-Fi® hotspot. Requires active service plan that includes data or paid data plan from AT&T or its local service provider.
10. Functionality varies by model. Full functionality requires compatible Bluetooth and smartphone. Some devices require USB connectivity. Data plan rates may apply.
11. Purchasers or lessees of new select properly equipped 2021–2023 GM Fleet vehicles who have an active Fleet Account Number (FAN) are eligible for 3 months of Fleet Driver Remote Access trial and OnStar Safety & Security coverage, which includes emergency services, navigation, and remote commands, plus a 3 GB or 1-month (whichever comes first) data plan trial, starting at trial activation date. Following the trial period, access to the services will terminate unless the person enters into a paid membership at that time. To continue to use the service following the trial period, you must enter into a paid subscription. Services subject to user terms and limitations and capabilities vary by model and/or vehicle configuration. Data plans offered by AT&T or its local service provider. Availability subject to change. GM Canada may modify, extend, or terminate offers for any reason, in whole or in part, at any time, without notice. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Visit OnStar.ca/BusinessSolutions for details.
12. Use only GM-approved tire and wheel combinations. Unapproved combinations may change the vehicle's performance characteristics. For important tire and wheel information, go to my.gm.ca or see your dealer.
13. Subscriptions sold separately by SiriusXM after the trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates, plus fees and taxes, until you call 1-888-539-7474 to cancel. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.ca to see complete terms. Content varies by SiriusXM subscription package. ©2023 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence. SiriusXM Canada products, programming, fees and services are subject to change.
14. Subscriptions sold separately by SiriusXM after the trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates, plus fees and taxes, until you call 1-888-539-7474 to cancel. Service subject to the SiriusXM Customer Agreement and Privacy Policy, visit siriusxm.ca to see complete terms. Some services and features are subject to device capabilities and location availability. Certain features and/or content may not be available in vehicles with SiriusXM with 360L unless GM connected vehicle services is enabled in the vehicle. Content varies by SiriusXM subscription package. ©2023 Sirius XM Canada Inc. "SiriusXM," the SiriusXM logo, channel names and logos are trademarks of Sirius XM Radio Inc. and are used under licence. SiriusXM Canada products, programming, fees and services are subject to change.
15. Not compatible with all devices.
16. CarPlay® interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone®. Data plan rates apply. CarPlay, Siri and iPhone are trademarks of Apple Inc.
17. Vehicle user interface is a product of Google, and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android™ smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android Auto is a trademark of Google LLC.
18. At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas.
19. GM-estimated range based on current capability of analytical projection consistent with SAE J1634 revision 2017 – MCT. Actual range may vary based on several factors, including temperature, terrain, battery age, loading, and how you use and maintain your vehicle. Performance targets, estimates and capability specifications based on computer-aided analysis and simulation using virtual engineering tools.
20. The system wirelessly charges one compatible mobile device. Some devices require an adapter or back cover. See my.gm.ca for more information.
21. Requires 5.3L V8 engine and Max Trailering Package.
22. Requires 5.3L V8 engine.
23. Requires 5.3L V8 engine and (MI2) 10-speed automatic transmission.
24. Requires 3.0L Duramax® Turbo-Diesel engine, Max Trailering Package, and 20-inch wheels and tires.
25. Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Connected Services plan with data required for full functionality. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play, and Google Maps are trademarks of Google LLC.
26. IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES: Installations or alterations to the original-equipment vehicle or chassis as distributed by General Motors are not covered by the General Motors New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems, or assemblies installed by GM. GM is not responsible for the safety or quality of design, features, materials, or workmanship of any alterations by such suppliers.
27. These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver's door jamb.
28. When properly equipped. Available engine or equipment may be required. See dealer for required specifications. Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner's Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow. See dealer for details.
29. Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo, and equipment.
30. Maximum Gross Combined Weight Rating (GCWR). When properly equipped; includes weight of the vehicle and trailering combination, including the weight of driver, passengers, fuel, optional equipment, and cargo in the vehicle and trailer.
31. Go to my.gm.ca to find out which phones are compatible with the vehicle.
32. The coverages and benefits provided under General Motors of Canada Company's New Vehicle Limited Warranty are transferable at no cost to any subsequent person(s) who assumes ownership of the vehicle within an applicable Coverage Period.

LEGAL DISCLOSURES

33. In Canada, all new 2024 model year Chevrolet, GMC and Buick brand vehicles receive a 5-year or 100,000-km (whichever comes first) Powertrain Component Warranty; except new 2024 model year Chevrolet or GMC brand vehicles equipped with a Duramax® Turbo-Diesel engine, which receive a 5-year or 160,000-km (whichever comes first) Powertrain Component Warranty and certain new eligible 2024 model year Chevrolet or GMC brand vehicles delivered to qualified Commercial Fleet and/or Government Fleet customers receive a 5-year or 160,000-km (whichever comes first) Powertrain Component Warranty.
