

MALIBU 2019

CHEVROLET

Malibu RS in Cajun Red Tintcoat
(extra-cost colour).

***FINALLY, A CAR THAT
REFLECTS YOUR HIGHEST
EXPECTATIONS.***

With a sophisticated, updated appearance and remarkable driving dynamics, the 2019 Malibu is ready to take you wherever the road leads.

A new turbocharged RS ups the wow factor, while Malibu Premier surrounds you with all-encompassing luxuries, including heated and ventilated front seats, new heated rear outboard seats, and dual-zone automatic climate control.

Available advanced safety technologies can assist in keeping you informed and help you prevent a potential collision. We're especially proud to say Malibu has been named "Most Dependable Midsize Car in the U.S." by J.D. Power¹ (award based on 2015 model).

¹ The Chevrolet Malibu received the lowest number of problems per 100 vehicles among Midsize Cars in the J.D. Power 2018 U.S. Vehicle Dependability Study, based on 36,896 total responses, measuring problems experienced during the past 12 months by original U.S. owners, surveyed October–December 2017. Your experiences may vary. Visit jdpower.com/cars.

FIND NEW ROADS™

Malibu Premier in Shadow
Grey Metallic (extra-cost colour)
with available features.

MALIBU RS

Malibu RS in Cajun Red Tintcoat
(extra-cost colour).

POISED FOR PERFORMANCE.
New for 2019, Malibu RS has the looks that invite a double take. A blacked-out sport grille, Black bowtie emblems, 18-in. wheels, a rear spoiler and dual exhaust outlets put an artistic spin on the mid-size car.

ENJOY A BRIGHT OUTLOOK. Beautifully sculpted headlamps on Malibu RS contribute to the modern appearance while offering impressive visibility. LT, Hybrid and Premier models feature LED daytime running lamps.

1. IT'S ALL IN THE DETAILS.

A dual-outlet exhaust with polished tips on Malibu RS gives function its own precise, premium form.

2. SIGNATURE RS STYLE. Exclusive 18-in. bright machined-aluminum wheels with Lunar Grey pockets punctuate exterior styling and reinforce this Malibu as a signed original.

3. A BOLD DEBUT. New 2019 Malibu styling is enhanced on RS models with a chrome-accented, blacked-out grille and Black bowtie emblems.

4. THE ART OF A MEMORABLE EXIT. On Malibu RS, a rear deck-lid spoiler and dual-element tail lamps make a distinctive statement.

INTERIOR DESIGN

Malibu Premier interior
in Light Wheat with
Dark Atmosphere accents.

¹Does not detect people or items. Always check rear seat before exiting.

DON'T FORGET YOUR LAPTOP. Rear Seat Reminder¹ activates when the rear doors are opened and closed up to 10 minutes before or anytime while your vehicle is on, so when you turn off the vehicle under certain conditions, you will get a reminder to double-check for valuables left behind.

EVERY SEAT, FIRST-CLASS. Rear-seat passengers were kept top of mind in

Malibu. That's why the design includes generous rear-seat legroom and rear doors that open wide to help make entry and exit easy.

UPSCALE ACCOMMODATIONS. Satin chrome is generously displayed throughout the Malibu interior for a clean, sophisticated appearance. Soft touch components exude an impressive level of quality.

RELAX IN A WARM EMBRACE. Premier features standard heated front seats and new, heated rear outboard seats. There's also a heated steering wheel to chase away the chill and ventilated front seats to help keep you cool when things heat up.

MAKE EVERY DRIVE MORE ENJOYABLE. Whether you are driving across town or across the country, the seats in Malibu are contoured for optimal support. The

8-way power driver seat with power lumbar control, standard on RS, LT, Hybrid and Premier, puts you in complete control of your comfort.

THE SCIENCE OF QUIET. An acoustic-laminated windshield and front door glass, a custom dash panel with strategic applications of laminated steel, and triple-sealed doors are just a few of the features that help keep the outside world where it belongs.

TECHNOLOGY

1. THE MORE YOU KNOW. An enhanced Driver Information Centre with 8-in. diagonal reconfigurable display is standard on Hybrid and Premier. It allows you to choose from two screens, Sport and Touring, and have at-a-glance access to important features and data.

2. myChevrolet® MOBILE APP! Simply download the app to your compatible smartphone and with an eligible active service plan² and a properly equipped vehicle, you can start or turn off your engine,³ lock or unlock your doors,³ send destinations to your available navigation⁴ system, view key vehicle diagnostic information⁵, set parking reminders and more.

3. MORE THAN A PRETTY FACE.

With Apple CarPlay® compatibility, you can simply and smartly connect with some of your most used iPhone® features, including Maps, Music, Messages and Phone, right on your touch-screen display.

4. STAY CHARGED UP. Conveniently charge your compatible cell phone with the available wireless charging station⁷

¹ Available on select Apple and Android devices. Service availability, features and functionality are subject to limitations and vary by vehicle, device and the plan in which you are enrolled. Device data connection required. Visit onstar.ca for more details. ² Requires subscription to Remote Access Plan or Premium Access Plan. Remote Access Plan does not include emergency or security services. Services are subject to user terms and limitations, and vary by vehicle model. Visit onstar.ca for more details. ³ Unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. Visit onstar.ca for more details. ⁴ At time of printing, detailed map coverage is available for most major urban areas of the United States and for certain metropolitan areas of Canada (Vancouver, Calgary, Edmonton, Winnipeg, Windsor, London, Toronto, Ottawa, Montreal, Quebec City and Halifax). Coverage is significantly limited outside these areas. ⁵ Diagnostic capabilities vary by model and do not cover all vehicle conditions. Additional message and data rates may apply. Requires email address on file and enrollment in Vehicle Diagnostics. ⁶ Vehicle user interface is a product of Apple and its terms and privacy statements apply. Requires compatible iPhone and data plan rates apply. ⁷ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit mychevrolet.ca for details.

Malibu Premier interior shown in Light Wheat with Dark Atmosphere accents and available features.

EASY ANDROID CONNECTION.

With Android Auto™¹ compatibility, you can interact with select smartphone apps. This system takes some of your compatible Android™ phone's features and lets you access them on the touch-screen display. You can access your phone, text messages, music, navigation and more.

ON-COMMAND CONNECTIVITY.

With the standard Chevrolet Infotainment 3 System², you can easily make hands-free calls, play music and access contacts from your compatible smartphone via the colour touch-screen display or through voice commands.

Wi-Fi IN YOUR MALIBU.

Chevrolet offers an available built-in 4G LTE Wi-Fi® hotspot³ (data plan required) providing a fast Internet connection for up to seven compatible devices.

¹ Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android app on Google Play and an Android compatible smartphone running Android 5.0 Lollipop or higher. Data plan rates apply. ² Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ³ Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi hotspot. Accessory Power must be active to use the Wi-Fi hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase.

PERFORMANCE

Malibu Premier in Shadow Grey Metallic (extra-cost colour) with available features.

¹ Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary. ² Malibu Premier equipped with the 2.0L turbo engine highway fuel consumption estimate is 7.4 L/100 km and the city fuel consumption estimate is 10.5 L/100 km. ³ Malibu LS, RS and LT equipped with the 1.5L turbo engine highway fuel consumption estimate is 6.6 L/100 km and the city fuel consumption estimate is 8.2 L/100 km. ⁴ The engine also comes on when the battery is in a low state of charge.

2.0L TURBO ENGINE. Standard on Premier is a robust 2.0L turbo engine producing 250 horsepower and 260 lb.-ft. of torque. It is paired with a 9-speed automatic transmission that offers quick, seamless shifting. While performance is the first thing you will notice, a highway fuel consumption estimate of 7.4 L/100 km^{1,2} will certainly put a smile on your face.

1.5L TURBO ENGINE. For 2019, the 1.5L turbo engine is coupled with a new Continuously Variable Transmission, standard on LS, RS and LT. This 1.5L engine produces 163 horsepower and 184 lb.-ft. of torque, providing performance you may not expect. With a highway fuel consumption estimate of 6.6 L/100 km^{1,3} this is bound to get your attention.

PROVEN HYBRID TECHNOLOGY. Leveraging components and knowledge from the Chevrolet Volt and Bolt EV, the 2019 Malibu Hybrid is powered by a direct injected 1.8L 4-cylinder engine mated to a two-motor electric drive unit. The drive unit provides additional energy to assist the engine for a total of 182 horsepower (136 kW).

LITHIUM-ION BATTERY PACK. An 80-cell, 1.5 kWh lithium-ion battery pack provides electric power to the hybrid system that can propel Malibu Hybrid to speeds over 80 km/h with electricity alone. The gasoline-powered engine will automatically come on in certain circumstances, such as at higher speeds and high loads, to provide additional energy⁴

Malibu RS in Silver Ice Metallic.

¹ Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

THE MOST FUEL-EFFICIENT MALIBU.

Malibu Hybrid has fuel efficiency ratings that might have you look twice. The highway fuel consumption estimate is 5.5 L/100 km¹ and the city fuel consumption estimate is just 4.8 L/100 km¹, pretty interesting indeed.

LIGHT AND STRONG. Malibu features a robust body structure that contributes to its nimble handling and excellent ride. By combining both press-hardened steel and ultra-high-strength steel, engineers created a cabin that is strong and lightweight.

QUIET AND SERENE. The quiet nature of Malibu begins with a honed exterior shape. It continues with sound-softening acoustic materials that help reduce, block and absorb road noise. The bottom line for you: a rewarding drive, one hushed kilometre after another.

RESPONSIVE AND AGILE. Variable-effort Electric Power Steering (EPS) uses energy only when steering effort is applied. Balancing responsiveness and comfort, EPS feels light but agile, providing greater assistance at low speeds and tighter control when you're cruising at highway speeds.

SAFETY

WE'RE SERIOUS ABOUT SAFETY.

ADAPTIVE CRUISE CONTROL – ADVANCED.

This available feature on Premier can automatically adapt your cruise control speed in order to maintain a driver-selected following gap to vehicles detected ahead while the driver steers, reducing the need to frequently brake and accelerate.

AVAILABLE FRONT PEDESTRIAN BRAKING.

If the system detects that a pedestrian is directly ahead and a collision is imminent, and the driver has not already applied the brakes, the system alerts the driver and may even automatically apply the brakes to help the driver avoid or reduce the harm caused by the collision. Performance is limited at night. Standard on Hybrid and Premier, available on LT.

FORWARD AUTOMATIC BRAKING.

Using the same radar sensors as Adaptive Cruise Control – Advanced, Forward Automatic Braking is engineered to help mitigate collisions or prevent them at very low speeds. If the system detects an imminent front-end collision with a detected vehicle, it is designed to alert the driver and can automatically apply the brakes if you have not already done so. Available on Premier.

LOW SPEED FORWARD AUTOMATIC BRAKING!

Camera-based Low Speed Forward Automatic Braking is designed to help prevent or mitigate collisions at speeds below 80 km/h. Standard on Hybrid and Premier, available on LT.

FORWARD COLLISION ALERT.

This available feature is designed to monitor how close your vehicle is to a detected vehicle in front of you. If the system determines that a front-end collision with a detected vehicle is imminent, it is designed to alert the driver to a potential crash. It can also warn the driver if their Malibu is following a detected vehicle much too closely.

LANE KEEP ASSIST WITH LANE

DEPARTURE WARNING. This camera-based system monitors road lines and can provide gentle steering wheel turns (and Lane Departure Warning alerts if necessary) to help drivers avoid unintentionally drifting out of their detected lane when they are not actively steering and their turn signal is not activated. Standard on Hybrid and Premier, available on LT.

LANE CHANGE ALERT WITH SIDE BLIND

ZONE ALERT. Radar sensors in the rear corners of the vehicle are designed to help detect fast-approaching vehicles in the adjacent lanes as well as moving vehicles in the side mirror blind zones. Amber icons in the exterior mirrors indicate a vehicle's presence. Standard on Hybrid and Premier, available on LT.

REAR CROSS TRAFFIC ALERT.

Using radar sensors, this feature is designed to alert the driver to crossing traffic behind Malibu when in Reverse. Audible warnings, as well as visual alerts on the Rear Vision Camera screen, are triggered if approaching vehicles are detected. Standard on Hybrid and Premier, available on LT.

REAR PARK ASSIST. This feature is designed to alert the driver, when in Reverse, by sounding an audible alert and providing visual indication on the Rear Vision Camera screen when it detects certain stationary objects in close proximity behind the vehicle. Standard on Hybrid and Premier, available on LT.

AUTOMATIC PARKING ASSIST.

This ingenious available system is designed to enable Malibu Premier to detect viable parking spaces, determine approach angles and take over the steering to neatly manoeuvre into an available space. The driver follows text commands, selects gear, and performs all braking and acceleration, but the vehicle can steer itself into any suitably sized reverse parallel or reverse right-angle (90-degree) parking spot.

Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. The driver should remain attentive to traffic, surroundings and road conditions at all times. Visibility, weather and road conditions may affect feature performance. Read the vehicle Owner's Manual for more important feature limitations and information.

1

1. THE STRENGTH AROUND YOU.

Malibu is equipped with a safety cage containing ultra-high-strength steel and 10 standard airbags!

2. TEEN DRIVER? Perfect for new drivers, Teen Driver technology helps encourage better driving habits by providing an in-vehicle report card that monitors the activation frequency of certain available safety tech features that are activated, muting the audio system when front-seat occupants aren't wearing their seat belts, and giving audible and visual warnings when the vehicle is travelling over a predetermined speed.

2

3

3. ONSTAR AUTOMATIC CRASH RESPONSE.

In a crash, built-in sensors are designed to send a signal that can alert a specially trained, Emergency Medical Dispatch-certified advisor³ who can help you get the assistance you need – even if you can't ask for it. The advisor can use GPS technology to help pinpoint your vehicle's location. This service requires a paid subscription to the OnStar Safety & Security Plan.⁴

¹ A NOTE ON CHILD SAFETY: Sitting too close to an airbag when it deploys can increase the risk of serious injury or death. Always properly wear your seat belt. Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. ² Read the vehicle Owner's Manual for more important feature limitations and information. ³ OnStar Emergency advisors are certified by the International Academies of Emergency Dispatch. ⁴ OnStar acts as a link to existing emergency service providers. Not all vehicles may transmit all crash data. Roadside services provided by Allstate Roadside Services, and limitations and restrictions apply. Stolen Vehicle Assistance requires armed factory-installed theft-deterrent system and selection of notification communication preference(s). These services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. Additional messaging and data rates may apply. Services are subject to user terms and limitations, and vary by vehicle model. Visit onstar.ca for more details.

SPECIAL FEATURES

Available tilt/sliding power sunroof with express-open feature, sunshade and additional fixed rear skylight.

Leather Package, available on LT and Hybrid, includes heated, leather-wrapped steering wheel, leather wrapped shift knob and interior rear-view auto-dimming mirror.

¹ Cargo and load capacity limited by weight and distribution. ² Fuel consumption estimates based on GM testing in accordance with Government of Canada approved test methods. Refer to vehicles.nrcan.gc.ca for details. Your actual fuel consumption may vary.

SELECT VEHICLE FEATURES

MALIBU LS Malibu LS includes these standard features:

163 hp 1.5L turbo DOHC I-4 engine with Direct Injection and Variable Valve Timing (VVT) with Auto Stop/Start engine feature
Continuously Variable Transmission (CVT)
4-wheel disc brakes with Duralife® brake rotors, ABS, Brake Assist, cornering brake control and Hill Start Assist
StabiliTrak® Electronic Stability Control System and traction control
4-wheel independent suspension
16-in. aluminum wheels
Power exterior mirrors
Rear Vision Camera ¹
Keyless Open and Start with extended-range remote keyless entry
Content theft alarm
Driver Information Centre with monochromatic display
Tire pressure monitoring system (excludes spare tire)
Teen Driver technology ¹
Single-zone air conditioning with air filtration system and particulate/pollen filter
Power windows and programmable door locks
Tilt and telescopic adjustable steering column; Cruise control
Steering wheel-mounted Bluetooth, ² cruise and audio system controls
Front bucket seats with manual 6-way seat adjusters
Premium Cloth seating surfaces
60/40 split-folding rear seats with centre-folding rear armrest
Chevrolet Infotainment 3 System ³ with 8-in. diagonal colour touch-screen display
Bluetooth ² hands-free phone connectivity and wireless audio streaming
6-speaker audio system
1-month trial of Chevrolet Connected Services and OnStar Safety & Security Plan coverage ⁴
Chevrolet Connected Access ⁵ with 10 years of standard connectivity, which enables services such as Vehicle Diagnostics ⁵ Dealer Maintenance Notification ⁶ and more
Built-in 4G LTE Wi-Fi ⁷ hotspot ⁷ ; includes 1-month or 3 GB data plan trial (whichever comes first) from vehicle delivery date

MALIBU RS Malibu RS enhances LS features with:

Black Chevrolet bowtie emblems; Blacked-out grille
Rear spoiler
Dual-outlet exhaust with polished tips
18-in. Black chrome-finish aluminum wheels
Leather-wrapped steering wheel and shift knob
Power 8-way driver-seat adjuster with power lumbar adjuster

MALIBU LT Malibu LT enhances LS features with:

17-in. aluminum wheels
LED daytime running lamps
LED tail lamps
Heated power exterior mirrors
Remote vehicle starter system
Dual-zone automatic climate controls
Heated front bucket seats
Rear-seat reading lamps
Floor console with rear air vents
SiriusXM ⁸ Radio ⁸ 3-month trial subscription

MALIBU HYBRID Malibu Hybrid enhances LT features with:

1.8L DOHC I-4 engine with Hybrid electric propulsion system
Low Speed Forward Automatic Braking ¹
Front Pedestrian Braking ¹
Forward Collision Alert ¹ and Following Distance Indicator ¹
IntelliBeam ⁹ automatic high beam on/off
Lane Keep Assist with Lane Departure Warning ¹
Lane Change Alert with Side Blind Zone Alert ¹
Rear Cross Traffic Alert; ¹ Rear Park Assist ¹
HD Rear Vision Camera ¹
Driver Information Centre with 8-in. diagonal colour display
Chevrolet Infotainment 3 Plus System ³ with 8-in. diagonal HD colour touch-screen display

MALIBU PREMIER

Malibu Premier enhances or substitutes Malibu Hybrid features with:

250 hp 2.0L turbo DOHC I-4 engine with Direct Injection and Variable Valve Timing (VVT)
9-speed automatic transmission
19-in. aluminum wheels
LED headlamps
Heated power exterior mirrors with integrated turn signal indicators
Chrome door handles with body-colour insert
Dual-outlet exhaust with polished tips
Bright door sill plates
Power sunroof
Auto-dimming interior rear-view mirror
Heated steering wheel
Leather-wrapped steering wheel and shift knob
Perforated leather-appointed seating with heated and ventilated front bucket seats
Driver-side 2-position memory
Power 6-way front-passenger seat adjuster with power lumbar adjuster
Heated rear outboard seats
Interior ambient lighting system
Chevrolet Infotainment 3 Plus System ³ with 8-in. diagonal HD colour touch-screen display and Connected Navigation ⁹
9-speaker Bose [®] premium audio system
Charge-only USB port ¹⁰ in rear of centre console
120-volt AC power outlet, located on rear of centre console
Wireless charging station ¹¹

¹ Read the vehicle Owner's Manual for important feature limitations and information. ² Visit mychevrolet.ca to find out which phones are compatible with the vehicle. ³ Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. Data plan rates may apply. ⁴ Includes navigation services, Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial from the vehicle delivery date. Data plan provided by AT&T or its local service provider. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Visit onstar.ca for more details. Availability subject to change. ⁵ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Compatible 4G LTE wireless coverage required. See onstar.ca for details and limitations. ⁶ Capabilities vary by model. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts or notifications. See onstar.ca for details and limitations. ⁷ Visit onstar.ca for vehicle availability, coverage maps, details and system limitations. Services and connectivity vary by model and conditions as well as geographical and technical restrictions. 4G LTE service available in select markets. Requires active connected vehicle services and a data plan to access the vehicle's built-in Wi-Fi hotspot. Accessory Power must be active to use the Wi-Fi hotspot. Data plans provided by AT&T or its local service provider. Credit card is required for purchase. ⁸ Available in 10 Canadian provinces, 3 territories and the 48 contiguous United States. Subscription sold separately after trial period. If you decide to continue your service at the end of your trial subscription, the plan you choose will automatically renew and bill at then-current rates until you call 1-888-539-7474 to cancel. Other fees and taxes will apply. All fees and programming subject to change. See the Customer Agreement for complete terms at siriusxm.ca/terms. ⁹ Requires subscription to OnStar Guidance Plan, Premium Access Plan or Navigation Add-On. Connected Navigation and Real-time Points of Interest (POI) only available on properly equipped vehicles. Services are subject to user terms and limitations and vary by vehicle model. Visit onstar.ca for more details. ¹⁰ Not compatible with all devices. ¹¹ The system wirelessly charges one PMA- or Qi-compatible mobile device. Some devices require an adaptor or back cover. To check for phone or other device compatibility, visit mychevrolet.ca for details.

OTHER OWNERSHIP PRIVILEGES AND PROGRAMS⁸

- Chevrolet Protection Plan – the only extended service plan backed by the resources and commitment of General Motors. The Chevrolet Protection Plan may be purchased at the time of sale or subsequently during the Base Warranty Coverage period⁹
- Chevrolet Certified Service – to help your Chevrolet vehicle live up to its performance promise, Chevrolet Certified Service – found exclusively at your Chevrolet dealer – is there. With all the engineering excellence in your vehicle, GM-trained technicians have the expertise to care for all of it.
- Chevrolet Owner Centre – as an owner, take advantage of the Chevrolet Owner Centre. This online owner's destination gives you access to contests, current offers and the latest driving and maintenance tips. Find out more at mychevrolet.ca.

¹ Whichever comes first. ² Limit of four complimentary Lube-Oil-Filter services in total. Fluid top-offs, inspections, tire rotations, wheel alignments and balancing, etc., are not covered. Conditions apply. See dealer for details. ³ Conditions apply. See Warranty Booklet for details. ⁴ Conditions apply. See Owner's Manual for details. ⁵ Includes navigation services, Remote Access Plan, plus a 3 GB or 1-month (whichever comes first) data plan trial from the vehicle delivery date. Data plan provided by AT&T or its local service provider. Requires vehicle electrical system (including battery), wireless service and GPS satellite signal to be available and operating for features to function properly. Visit onstar.ca for more details. Availability subject to change. ⁶ Standard connectivity available only to original purchaser for 10 years. Connected Access services are subject to change. Does not include emergency or security services. Compatible 4G LTE wireless coverage required. See onstar.ca for details and limitations. ⁷ Capabilities vary by model. Message and data rates may apply. Requires contact method on file and enrollment to receive alerts. Not all issues will deliver alerts or notifications. See onstar.ca for details and limitations. ⁸ Conditions apply. ⁹ Please work with your dealer to select the plan that is suitable for your driving needs. Dealers are free to set their own prices. ¹⁰ Subject to eligibility.

TO HELP YOU PURCHASE OR LEASE A NEW VEHICLE

- Purchase Financing and Leasing – on-the-spot financing; see dealer for full details¹⁰
- GM Student Bonus Program – students or recent graduates of high school, college or university¹⁰ may be entitled to receive a Student Bonus Vehicle Redemption Allowance of \$500 or \$750⁸ (tax inclusive) (purchased vehicle dependant) to use towards the purchase, lease or finance of one eligible new Chevrolet vehicle.
- GM Card[®] – Cardholders may redeem Earnings towards the total purchase price or lease down payment of an eligible new Chevrolet car, truck or crossover. Restrictions and limitations apply. For full program details, visit gmcard.ca.

INFORMATION RESOURCES You can find more information about these programs from your Chevrolet dealer, or at these information centres:

- The Chevrolet website at chevrolet.ca
- The GM Customer Care Centre at **1-800-GM-DRIVE (1-800-463-7483 or 1-800-263-3830 for TDD users)**.

A WORD ABOUT THIS BROCHURE Some of the equipment shown or described throughout this brochure may be available at extra cost. We have tried to make this brochure comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colours, materials, equipment, specifications, models and availability. Specifications, dimensions, measurements, ratings and other numbers in this brochure and other printed materials provided at the dealership or affixed to vehicles are approximates based upon design and engineering drawings and prototypes and laboratory tests. Your vehicle may differ due to variations in manufacture and equipment. Since some information may have been updated since the time of printing, please check with your Chevrolet dealer for complete details. General Motors of Canada Company reserves the right to lengthen or shorten the model year for any product, for any reason, or to start and end model years at different times. Certain vehicle features may lose their usefulness over time due to obsolescence from technological changes. Unless otherwise noted, all claims based on the latest available competitive information. Excludes other GM vehicles.

ENGINES Chevrolet products are equipped with engines produced by GM Global Propulsion Systems or other suppliers to GM worldwide. The engines in Chevrolet products may also be used in other GM makes and models.

ASSEMBLY Chevrolet vehicles and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Chevrolet vehicles with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered and that, if there were changes, they are acceptable to you.

FLEET ORDERS Some standard content may be deleted on fleet orders. See dealer for details.

AN IMPORTANT NOTE ABOUT ALTERATIONS AND WARRANTIES Installations or alterations to the original equipment vehicle (or chassis) as distributed by General Motors are not covered by the New Vehicle Limited Warranty. The special body company, assembler, equipment installer or upfitter is solely responsible for warranties on the body or equipment and any alterations (or any effect of the alterations) to any of the parts, components, systems or assemblies installed by GM. General Motors is not responsible for the safety or quality of design features, materials or workmanship of any alterations by such suppliers.
