

BEAUSEJOUR GM

Beausejour GM is hiring for an entry level Lube Tech/Apprentice.

If your goal is to become a Red Seal Automotive Technician and are energetic, outgoing and reliable, then Beausejour GM has the perfect opportunity for you.

What You Will Do:

As a Lube Technician you will help drive out continued success of providing reliable and impeccable preventative maintenance and service including:

- . Evaluate customer's needs, working quickly and efficiently.
- . Contribute to a fun team atmosphere.
- . Master products, service and company knowledge.
- . Perform automotive preventative maintenance such as; changing oil, checking and refilling other vehicle fluids, replacing filters, and inspecting and replacing lights and wipers.
- . Perform tire repairs and replacement.
- . Mount and balance new tires.
- . Perform multi-point inspections and recommend any services due, or work required.
- . Maintain a clean and safe workplace.

How You Will Succeed:

- . You are friendly and ready to work as part of a customer-focused team.
- . Have eagerness to learn.
- . You can occasionally lift up to 50 pounds.
- . Have full mobility and the ability to work with your hands above your head.
- . Can stand for extended periods of time.

Benefits include:

- . On-the-job training.
- . We promote from within; a commitment we are passionate about.
- . No late evenings.
- . Company benefits plan.. Wage based on experience.
