CANADA/US

IMPORTANT: All GM Canada dealer orders using a US Ship To code are drop ship codes only. In all cases these vehicles must return to Canada post upfit to be licenced and registered in Canada. GM Canada will not be the Record of Importer nor accomodate any moves from the United States once the vehicle is drop shipped at one of these locations. The customer/dealer will be responsible to be the Record of Importer once the vehicle is ready to be shipped back to Canada. Vehicles produced at a canadian plant are excluded from this process.
