

Keep your
people safe and
assets secure.

ONSTAR SAFETY SERVICES

You need your vehicles to arrive, your assets secure and your people safe. Specially trained Advisors are standing by 24/7 to help your drivers in the event of a crash, a vehicle theft or even a medical emergency.

Safety & Security

Get the tools to help keep your drivers protected on the road.

SERVICES

EMERGENCY SERVICES

If a medical emergency happens on the road, an OnStar® Emergency-Certified Advisor can provide crucial medical assistance until First Responders arrive.

AUTOMATIC CRASH RESPONSE

In a crash, built-in vehicle sensors are designed to alert an OnStar Emergency-Certified Advisor. The Advisor can use GPS technology to locate the driver's vehicle and send for help — even when a driver can't ask for it.

STOLEN VEHICLE ASSISTANCE

Once law enforcement confirms one of your vehicles has been stolen, OnStar Advisors are ready to help authorities attempt to recover it.

TURN-BY-TURN NAVIGATION

When a route gets blocked or traffic unexpectedly backs up, drivers can have directions downloaded right to their vehicle.

ROADSIDE ASSISTANCE

When drivers need a tow, have a flat tire or run into other problems on the road, Roadside Assistance is available at the push of a button to help get things moving again.

Safety & Security/Assurance | Emergency Services/Automatic Crash Response: OnStar plan, working electrical system, cell reception and GPS signal required. OnStar links to emergency services. Not all vehicles may transmit all crash data. **OnStar Emergency-Certified Advisors:** OnStar Emergency Advisors are certified by the International Academies of Emergency Dispatch®. **Stolen Vehicle Assistance:** Requires paid plan, working electrical system, cell reception, GPS signal, armed GM factory-installed theft-deterrent system, contact method on file and enrollment to receive alerts. Additional messaging and data rates may apply. Services are intended to assist with vehicle recovery and do not prevent theft or protect against damage or loss. **Safety & Security | Turn-by-Turn Navigation:** Advisor-based Turn-by-Turn Navigation is subject to terms and limitations and varies by vehicle model and/or vehicle configuration. Map coverage available in U.S., Puerto Rico and Canada. **Roadside Assistance:** Roadside service provided by Allstate Roadside Services for vehicles only. Limitations and restrictions apply. **Driver Remote Access | Remote Commands:** Requires paid plan. Lock/unlock feature requires automatic locks. Remote start requires GM factory-installed and enabled remote start system. **Directions On The Go:** Requires paid plan and properly equipped vehicle. Mobile app functionality is available on select devices and requires data connection. Map coverage available in the U.S., Puerto Rico and Canada. **Vehicle Diagnostics, Diagnostic Alerts, Dealer Maintenance Notification and On-Demand Diagnostics:** On-Demand Diagnostics requires paid plan. Diagnostic capabilities vary by model and/or vehicle configuration and plan. See onstar.ca for details and limitations. **Vehicle Mobile App:** Available on select Apple and Android devices. Service availability, features and functionality vary by vehicle, device and the plan you are enrolled in. Terms apply. Device data connection required. **Trial offer:** Limited-time offer available to Canadian companies with active fleet account number (subject to verification by GM in its sole discretion). Plus applicable taxes. Payment method on file is required for monthly service plans. To the extent permitted by law, packages and pricing are subject to change. Terms and conditions apply.

See OnStar.ca/BusinessSolutions for details and limitations. All services subject to user terms and limitations.
