SILVERADO ZR2 FAST FACTS

- Silverado ZR2 leads Chevy’s factory-lifted off-road lineup, offering race-proven off-road performance matched with a premium interior, immersive technology and more
- Suspension upgrades, enhanced off-road technology and exterior enhancements were developed to optimize off-road performance and capability – whether desert running or rock crawling – and balance everyday driving comfort
- Multimatic DSSV™ spool-valve dampers and uniquely-tuned springs that increase maximum front and rear suspension travel, compared to other Silverado models
- Standard front and rear e-lockers
- Specific off-road chassis and suspension calibrations, including Terrain Mode, which allows one-pedal¹ rock crawling
- High-approach steel front bumper designed for off-road strength, durability and clearance, enabling an improved 33.5-degree approach angle, compared to other Silverado off-road models
- Black hood insert, unique grille with integrated lighting and "flow-tie" emblem, wheel moldings, ZR2 badges and unique 18-inch wheels with 33-inch off-road MT tires

AVAILABLE SILVERADO ZR2 BISON

- In collaboration with American Expedition Vehicles, the available Silverado ZR2 Bison special edition is designed to bolster the truck’s off-road capability with rocker protection, unique skid plates, custom front bumper, specific AEV 18-inch wheels and more

INFOTAINMENT & CONNECTIVITY

- Chevrolet infotainment systems², with a 13.4-inch-diagonal horizontal infotainment touchscreen is standard and features wireless Apple CarPlay^{®3} and Android Auto^{™4} capability, as well as Google Built-In compatibility⁵

STANDARD 13.4-IN.-DIA. TOUCHSCREEN

¹You should always use your brake pedal if you need to stop quickly. ²Chevrolet Infotainment System functionality varies by model. Full functionality requires compatible Bluetooth and smartphone, and USB connectivity for some devices. ³Vehicle user interface is a product of Apple® and its terms and privacy statements apply. Requires compatible iPhone® and data plan rates apply. Apple CarPlay, Siri, iPhone and Apple Music are trademarks of Apple, Inc., registered in the U.S. and other countries. ⁴Vehicle user interface is a product of Google and its terms and privacy statements apply. Requires the Android Auto app on Google Play and a compatible Android smartphone. Data plan rates apply. You can check which smartphones are compatible at g.co/androidauto/requirements. Android, Google Play and Android Auto are trademarks of Google LLC. ⁵Google built-in services are subject to limitations and availability may vary by vehicle, infotainment system and location. Select service plan required. Certain Google actions and functionality may require account linking. User terms and privacy statements apply. Google, Google Play, and Google Maps are trademarks of Google LLC. ⁶Safety or driver assistance features are no substitute for the driver’s responsibility to operate the vehicle in a safe manner. Read the vehicle Owner’s Manual for important feature limitations and information. ⁷For comparison purposes only. See the owner’s manual and the label on the vehicle door jamb for the carrying capacity of a specific vehicle. ⁸When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ⁹Before you buy a vehicle or use it for trailering, carefully review the Trailering section of the Owner’s Manual. The weight of passengers, cargo and options or accessories may reduce the amount you can tow.
