VEHICLE ACCESSORIES

ABOVE AND BEYOND

Land Rover vehicles are bold, versatile and luxurious, with a groundbreaking design that incorporates many practical features as standard. But because every owner enjoys his or her own unique lifestyle and pursuits, there is a range of specialized items to bring even more style and added capability to your Land Rover. And most accessories can be added at any stage during your vehicle's life. These latest accessories may be suitable for both LR4 and LR3 models. Please ask your Land Rover retailer for details.

WHY BUY GENUINE LAND ROVER KIT?

KIT: The Land Rover Retailer-fitted vehicle accessory range engineered specifically for Land Rovers

Just as all Land Rover vehicles deliver outstanding on- and off-road performance, so does the extensive range of Land Rover engineering-approved accessories. As a complement to the Land Rover owner's lifestyle, these accessories are engineered to ensure seamless integration with Land Rover vehicles.

KIT has no equal — ranking above any aftermarket counterpart — when it comes to proper performance with Land Rovers. Here's why:

PREDICTIVE ANALYSIS

Using the latest predictive stress analysis methods validates the safety and durability of Land Rover KIT.

VIRTUAL ENGINEERING

Computer-Aided Design helps ensure that accessories are conceived to complement the vehicle's lines and stylish looks. This ensures the high quality of fit and finish one expects from Land Rover.

ENVIRONMENTAL

Different climates provide different challenges for these accessories. Land Rover KIT is tested under a range of climate conditions to ensure quality performance.

DURABILITY

All accessories undergo the same test plan as the vehicles themselves — rigorously analyzed far beyond the extremes of normal customer use.

RIG TESTING

Heavily integrated parts, such as roof bars, are developed and tested very early on during vehicle development to ensure seamless compatibility.

WARRANTY

Every Land Rover Approved Accessory includes a warranty that begins on the date of purchase of the accessory and is covered for 12 months unlimited mileage or the balance of the new vehicle/emissions warranty, whichever is greater. See your Retailer for details.

WHEELS

Make your Land Rover stand out with a smart set of alloy wheels. Choose from a range of striking designs, each tested to perform far in excess of normal driving situations. And for adverse conditions, a snow traction system can assist you and your vehicle.

19-inch Split Spoke Alloy Wheel (Rim only)
Bright Silver Finish — LR050886
2014 vehicles onward

20-inch Split Spoke Alloy Wheel (Rim only)

Snow Traction Control System

For enhanced traction on snowy or icy surfaces, conveniently fasten the Snow Traction Control System to your Land Rover's front wheels. Sold in sets of two.

For 17" wheels — VUJ000010
For 2005-09 vehicles (18" and 19" wheels) — VUJ000020

Emergency Snow Traction Aid (snow socks)
VPLVW0073

*Please note: Must be ordered as a set of five 20" wheels per vehicle and each 2009 vehicle must have a tire information label fitted. (All markets except North America VPLAW0004; for North American markets VPLAW0005.) Please see your Land Rover retailer for further information.

When choosing vehicles fitted with specific wheel and tire combinations or optional wheels and tires, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tires may offer certain styling or driving benefits, but may be more vulnerable to damage. Please discuss your requirements with a retailer when selecting your vehicle and specification.

Wheel Locks

Help protect your Land Rover's wheels from theft with locking wheel nuts that can be removed only with a special tool that accompanies the kit.

Chrome (For 2006 vehicles onward) — VUB504120

Black — VPLWW0093

Wheel Lug Nuts

High Gloss Black (Set of 20) — VPLWW0078

Center Caps

Add a distinctive finishing touch to your Land Rover's wheels with attractive Center Caps.

Green Gold logo on Sparkle Silver cap — RRJ500030MNH

Black Silver logo on Sparkle Silver cap — RRJ500030WYS

Green Gold logo on Bright Silver cap — RRJ500030MCM

Black Silver logo on Bright Silver cap — RRJ500030WYT

Green Gold logo on Chrome cap — RRJ500060WYU

Black Silver logo on Chrome cap — RRJ500060MUZ

Valve Stem Caps

Enable the Land Rover presence to permeate every detail of your vehicle — right down to its tire valve stem caps (Tire Pressure Monitoring System-compatible).

Spike Spider Snow Traction System

With its Spike Spider design, this snow traction system can be easily attached to, or removed from, your Land Rover's front wheels.

For 17", 18", 19" and 20" wheels — VPLAW0080

Tire Pressure Gauge

This convenient accessory features an LED light, a rotating nozzle and a tread depth gauge.

VPLVW0077

EXTERIOR

Exterior accessories for your Land Rover combine rugged protection with stylish looks. The protection bars and lamp guards can lead a punishing life if full use is made of your vehicle's impressive all-terrain potential. Doors and sills also can find life tough, so Land Rover designed side steps, body side moldings and protection tubes to help prevent stone chips, scuffs and scrapes, whether you're crossing the countryside or the parking lot.

Protection Bar
Made from soft-feel polyurethane. Compatible with the Electric Winch.
Driving Lamp Kit not included.
For 2010-13 vehicles (not applicable to 2014 LR4) — VPLAP0022

A-Frame Protection Bar

Made from soft-feel polyurethane. Includes front Park Distance Control adaptation kit, if required.

For 2005-09 vehicles — LR005237

For 2005-09 vehicles (with winch compatibility)
— LR005743 (not shown)

Protection Bar License Plate Bracket

For 2005-09 vehicles only — VUB500670

Rear Lamp Guards

These attractive lamp guards combine rugged protection with stylish looks.

Sunroof — LR006511

Side Windows — LR006510

Hood — LR006512

CARRYING AND TOWING

From luggage and skiing gear to more extreme pursuits, your Land Rover's carrying and towing equipment can help handle the load. Eight different specialized roof carrying systems are available to transport a wide range of items, plus there's a roof-mounted carrier to satisfy bike enthusiasts. And if loads are too big for the roof, there is versatile towing equipment to make use of your Land Rover's impressive towing capability.

Rear Ladder
For 2010 vehicles onward — AGP780020

Large Sports Roof Box*
Capable of accommodating four pairs of skis or five snowboards, this extra large roof box features a quick-mounting system for easy and secure attachment while a non-slip mat surface helps keep your load in place. Load capacity: 165 lbs. (Shown here on a Range Rover Sport.) VPLWR0100

Cross Bar Kit
Adjustable position cross bars for carrying all Land Rover roof-mounted accessories featured. Easily removed when not in use. Lockable for security. Vehicle height when fitted at normal ride height: 78". Load capacity: 158 lbs. Vehicle must have factory-fit roof rails fitted or Roof Rail Kit CAB500120PVJ (short black roof rails not shown)/CAP500090/VPLAR0075. Silver Finish with Black Feet — VPLAR0001

Lashing Eye Kit
Six additional tie-down points for use with T-slots on Cross Bars. VUB503160

Ratchet Strap
Nylon tie strap for securing items to the Cross Bars, Luggage Carrier or Expedition Roof Rack. 16' long x ¾" wide; supplied individually. CAR500010

Vehicles with an opening roof: Some roof-carrying accessories may restrict opening of the vehicles' sliding sunroof when fitted. Care should be taken when opening the roof to avoid collision with any items fitted above the vehicle.

*Roof Rails and Cross Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

Sports Roof Box – Gloss Black Finish*

Lockable for security. Can be mounted either way for curbside opening in any country. Internal retention system for skis or other long loads. External dimensions: 81" long x 33" wide x 13" high. Volume: 92 gallons. Load capacity: 165 lbs. VPLVR0061

Expedition Roof Rack*

Vehicle must be fitted with a Short Roof Rail Kit CAB500120PVJ/CAP500090. Vehicle height when fitted at normal ride height: 82½". Load capacity: 119 lbs. CAB500021PMA

Full Length Roof Rail Kit

Cross Bars sold separately. See page 14.

Bright Finish — VPLAR0075

Black Finish — VPLAR0074

Luggage Roof Box – Gloss Black Finish*

Lockable for security. Opens from both sides. External dimensions: 69" long x 32" wide x 18" high. Volume: 97 gallons. Load capacity: 165 lbs. VPLVR0062

*Roof Rails and Cross Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

Short Roof Rail Kit

Designed for vehicles not fitted with factory-fit roof rails.
Bright Finish roof rails — CAP500090
Black roof rails (not shown) — CAB500120PVJ

Luggage Carrier*

Load capacity: 138 lbs.
LR006848

Aqua Sports Carrier*

Carries one canoe or kayak (2 Kayak Carrier carries two kayaks or canoes). Includes lockable multi-purpose holder to carry a mast, oars or paddles. Tilts to facilitate easy loading/unloading. Features lockable straps and rubber supports to maintain optimum mass distribution while protecting the kayak and vehicle from scratches/scuffs. Maximum load capacity 99lbs.
VPLGR0107

Aqua Sports Carrier - 2 Kayaks (not shown) — VPLWR0099

Ski and Snowboard Carrier*

Lockable for security. Carries four pairs of skis or two snowboards. Incorporates slider rails for easy loading. Load capacity: 79 lbs.
LR006849

Ski Carrier (not shown)

Maximize your Land Rover's interior space by transporting skis with this durable, roof-mounted Ski Carrier. Choose from two models.
Carrier for three pairs of skis — LRN50141

*Roof Rails and Cross Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

Roof Box Lifting Aid

This garage ceiling-mounted pulley system allows you to lift equipment onto your LR4 with ease. It can also be used for conveniently storing the roof box when removed from the vehicle. VPLVR0096

Bungee Cargo Net

Secure cargo with this durable cargo net that will not rust or scratch your gear. Extremely flexible, this net works especially well with the Land Rover Luggage Carrier (LR006848). LR005083

Bike Carrier (Ride-Ready)

Securely transport your bike on the roof of your vehicle with this durable, lockable carrier that conveniently requires no disassembly of the bike. VPLFR0091

*Roof Rails and Cross Bars are required for all Land Rover roof-mounted accessories. Objects placed above the roof-mounted satellite antenna may reduce the quality of the signal received by the vehicle and could have a detrimental effect on the navigation and satellite radio systems, if fitted.

Tow Hitch Cover

Help seal your 2-inch tow hitch receiver from dirt or debris with this durable Tow Hitch Cover. Made from rubberized exterior grade plastic, it includes a custom lanyard to help keep the cover safe from loss if accidentally removed. VPLWY0084

Drawbar/Adapt-a-Ball Set

For use with the Tow Hitch Receiver, this Drawbar Set includes a 2-inch tow bar, 3 different-sized adapt-a-balls, a locking hitch pin and a molded carrying case. Its specs include a 9-inch length, $\frac{3}{4}$ -inch rise, 2-inch drop and 550-lb. tongue weight. Note: Requires Tow Hitch Receiver (LR040248). VPLAY0060

Tow Hitch Receiver

This robust Tow Hitch Receiver delivers a 7,716-lb. trailer load capacity and a tongue weight capacity of 550 lbs. The receiver easily detaches from your Land Rover and is lockable for security. LR040248

Towing Electrics

Centrally mounted sockets in your Land Rover's rear bumper provide electric power and rear lighting for your trailer. (Not shown)

For 2014 vehicles onward — VPLAT0137

For 2010-13 vehicles — VPLAT0013

For 2005-09 vehicles — YWJ500220

Quick Release Tow Bar Stowage (not shown)

Hidden loadspace storage block.

7-seat vehicles only.

For 2010 vehicles onward — LR020002

Tow Strap (not shown)

Includes storage bag that can be attached as a warning flag to the strap. Maximum load capacity: 6,615 lbs.

For 2010 vehicles onward — STC8919AA

Note: The Tracking Target Sticker is required for vehicles fitted with the Trailer Assist option. LR021589

Electric Winch

9,500-lb. maximum load capacity. Includes cover for protection when not in use. Plug-in remote control allows safe operation from up to 3.6m. Compatible with Protection Bar (VPLAP0022).

For 2005-13 vehicles only — VPLAP0130

(Not compatible with the 2014 model year V6 supercharged engine.)

Winch Accessory Kit (not shown)

Includes strap, snatch block, two shackles, heavy duty gloves and a storage bag.

STC53202

INTERIOR

Your Land Rover's intuitive, sumptuous interior exudes craftsmanship and comfort. There is also the opportunity to add even more practicality with accessories such as a cargo barrier, stainless steel sill tread plates and waterproof seat covers.

iPad® Holder

Mount your iPad to this Land Rover-branded holder that attaches to the vehicle's headrest posts and features a quick-release design. Your iPad can be displayed in either a portrait or landscape format, and the holder allows easy access to all ports and controls.

Style 1 (fits iPad 1) – VPLVS0164

Style 2 (fits iPad 2 onward) – VPLVS0165

iPad is a registered trademark of Apple Inc.

Coat Hanger

Made from rounded chrome metal, this Land Rover-branded hanger easily attaches to the back of the front-seat headrest so you can keep your clothes looking sharp.

VPLVS0167

Sunshade

Help shield your vehicle's interior against the sun's rays with this Land Rover-branded sunshade.

VPLFY0068

Tire Detailer — LR083597

Interior Car Care Kit

Kit contains 10 Interior Cleaner Wipes, Microfiber Cloth, and 4-fl oz bottles of: Leather Cleaner, Leather Conditioner and Protectant, and Carpet Spot Remover.
LR083600

LAND ROVER PRODUCT ASSURANCE

To assure lasting life, functionality, and appearance, Land Rover Approved Accessories undergo extreme real-world testing to deliver maximum quality and meet Land Rover's exacting standards.

All Land Rover Approved Accessories are manufactured using materials that meet automotive industry flammability standards and are compliant with all relevant legislative requirements.

CARRYING ACCESSORIES

- Real-world dynamic testing helps to ensure that the accessory performs with no detrimental effect to the vehicle.
- Specifically tested and approved on the particular vehicle, incorporating a range of challenging durability tests on both the vehicle and carrier, such as the Pavé Test.
- Pavé Testing involves driving the vehicle with a fully laden carrier for hundreds of miles over rough, uneven, and extremely bumpy surfaces to simulate a lifetime of use. One mile of Pavé is equivalent to 100 miles of real-world conditions.

EXTERIOR STYLING ACCESSORIES

Land Rover Exterior Styling Accessories are subjected to a range of stringent environmental tests to ensure they can withstand the toughest climatic conditions. Each accessory product undergoes a series of testing relevant to its design, materials, and function, which can include:

Extreme tests against aging prematurely or discoloration.

- Up to two years' direct sunlight known as "Florida Weathering."
- Heat Aging Test for 500 hours.
- Extreme Temperature Test ranging from -40°F to 176°F.

Extreme tests to ensure durability and longevity of the finish.

- Heat Shock Test, which consists of 16 hours at -40°F then 5 minutes at 158°F.
- Humidity Resistance Test, which is 168 hours at 118°F, with humidity ranging from 95%-100%.
- Accelerated Environmental Cycle Test, composed of a relentless barrage of salt, dirt, and dust, simulating a lifetime of real-world driving.

INTERIOR STYLING ACCESSORIES

Land Rover Interior Styling Accessories are subjected to a range of stringent tests to help ensure they can withstand the challenges of a lifetime of use. Each accessory product undergoes a series of testing relevant to its design, materials and function, which includes quality tests, durability tests and extreme tests against premature aging or discoloration.

- Accelerated Environmental Tests, including a Heat Aging Test, for up to 500 hours.
- Performance Specification Tests to ensure quality standards and durability are in line with Land Rover Standards.
- Squeak and Rattle Tests to ensure no detrimental effect to vehicle quality and comfort levels.

TOWING ACCESSORIES

With towing forming such an intrinsic part of the Land Rover DNA, it is an integral part of the dynamic testing for the entire vehicle.

- Towing systems are tested well beyond recognized industry standards to ensure they achieve the position of "best in class."
- While many aftermarket towing solutions are typically developed off-vehicle using rig-based tests, all Land Rover towing systems are tested while mounted to a vehicle body. This helps to ensure that the tow system and vehicle are optimized to work together.
- Towing systems are subjected to challenging Real World Driving Simulations to help ensure that, even in an emergency situation, both the vehicle body and the towing system are able to cope with the pressures applied from a fully laden trailer.
- Towing systems are designed alongside the core vehicle and feature consistent exterior trim parts for a seamless and integrated look.

WARRANTY

Every Land Rover Approved Accessory includes a warranty that begins on the date of purchase of the accessory and is covered for 12 months (unlimited mileage) or the balance of the new vehicle/emissions warranty, whichever is greater. See your Retailer for details.

All Land Rover-Approved Accessories fitted by a Land Rover Retailer within one month or 1,000 miles (whichever occurs first) of the handover of a new vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside these parameters will be subject to a 12-month unlimited mileage warranty. All Land Rover-Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and, importantly, continue to comply with current legislation.

All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems. Although Land Rover takes the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market. Please consult your Land Rover Retailer who will be pleased to advise you on current specifications. Distributors and Retailers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.

Genuine Land Rover KIT assures confidence

Land Rover would like to remind you that accessories that are non-genuine Land Rover are not warranted by Land Rover North America and may not be serviceable at other Land Rover Retailer Centers. If your Land Rover Center or sales guide offers you non-genuine Land Rover parts or accessories, we recommend finding out whether they have a warranty, where they can be serviced, and what company provides these warranties and service.

Please recycle this brochure after use.
