Clarity Plug-In Hybrid

CR-V Hybrid
crvhybrid.honda.com

The first-ever CR-V Hybrid.

All the style and performance of the CR-V. All the benefits of a hybrid. The CR-V Hybrid delivers fun on the road with sleek good looks and plenty of features, including Honda Sensing® standard on all trims.

A Hybrid Without Rival

- Two-motor hybrid powertrain
- 212 total system horsepower¹
- 3-Mode Drive System (ECON/Sport/EV)
- Real Time AWD with Intelligent Control System™
- Remote engine start
- LED headlights

CR-V Hybrid Touring shown in Modern Steel Metallic.

The Hybrid with All the Perks

- Hands-free access power tailgate*
- Wireless phone charger*²
- Smart Entry with Walk Away Auto Lock*
- 7-inch Display Audio touch-screen*
- Apple CarPlay^{®3} integration*
- Android Auto^{™4} integration*
- Front and rear parking sensors*
- 19-inch alloy wheels*
- 5-Bar LED fog lights*

*Available features. Please visit automobiles.honda.com/cr-v#specifications for actual trim application.

The hybrid that’s as beautiful as it is efficient.

There’s no better feeling than arriving in a car as beautiful and sleek as the Honda Insight, except the satisfaction of knowing it’s also a hybrid. With stunning design and an impressive 55-mpg city rating¹ (LX and EX), the Insight always makes an entrance.

Sophisticated Design, Efficient Package

- 151 total system horsepower¹
- Heated front seats**
- Standard Honda Sensing® suite of safety and driver-assistive features
- Remote engine start**
- LED headlights, Daytime Running Lights (DRL) and turn indicators
- 450-watt premium audio system with 10 speakers, including subwoofer**
- Wi-Fi[®] hotspot capability***
- Apple CarPlay[®] integration**
- Android Auto[™] integration**
- 60/40 split fold-down rear seatback**
- Blind spot information system (BSI) with cross traffic monitor**
- Smart Entry with Walk Away Auto Lock**

**Available features. Please visit automobiles.honda.com/insight#specifications for actual trim application.

Insight Touring shown in Modern Steel Metallic.

¹Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration’s (NHTSA’s) New Car Assessment Program (www.safercar.gov); applies to 2021 model. ¹55 city/49 highway/52 combined mpg rating for LX and EX trims. 51 city/45 highway/48 combined mpg rating for the Touring trim. Based on 2021 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors. ¹Requires AT&T data plan.

5-Star Overall Vehicle Score*

DEALER ePROCESS

Accord Hybrid
accordhybrid.honda.com

A class of its own.

It's the vehicle that has always lifted the standard for sedans. It's the fast, efficient and comfortable ride that just keeps getting better. With a sophisticated exterior, luxurious interior and an incredible 48-mpg city rating,* the Accord Hybrid has more advanced features than ever.

Accord Hybrid Touring shown in Obsidian Blue Pearl.

*48 city/47 highway/48 combined mpg rating. Based on 2020 EPA mileage ratings. Use for comparison purposes only. Your mileage will vary depending on driving conditions, how you drive and maintain your vehicle, battery pack age/condition and other factors.

Still Raising the Bar

- 2.0-liter, 3rd-generation, two-motor hybrid powertrain
- 212 total system horsepower†
- Standard Honda Sensing® suite of safety and driver-assistive features
- Leather-trimmed seats†
- Heated/ventilated front seats†
- Dual-zone automatic climate control†

†Available features. Please visit automobiles.honda.com/accord#specifications for actual trim application.

HYBRID

Hybrid Without Compromise

- 8-inch Display Audio touch screen**
- Apple CarPlay®³ integration**
- Android Auto™⁴ integration**
- Head-Up Display (HUD)**
- Wi-Fi®⁵ hotspot capability††**
- Wireless phone charger**²
- Automatic-dimming rearview mirror**

**Available features. Please visit automobiles.honda.com/accord#specifications for actual trim application.

††Requires AT&T data plan.

Clarity Plug-In Hybrid
claritypluginhybrid.honda.com

Power your journey with electric or gas.

Put range anxiety in the rearview mirror. Sometimes, you want to drive an electric car. Sometimes, you need more flexibility. That's why Honda created the Clarity Plug-In Hybrid, with a 340-mile total range rating.* Charge up and drive on electricity, and tap into a gas reserve when needed, all while spending less time at the pump.

Powerful and Tech-Forward

- 212 total system horsepower¹
- 47-mile electric-only range rating*
- California HOV lane access-eligible⁷
- Seating for 5 adults
- Standard Honda Sensing[®] suite of safety and driver-assistive features
- Apple CarPlay^{®3} integration
- Android Auto^{™4} integration

Clarity Plug-In Hybrid Touring shown in Modern Steel Metallic with optional charging accessories.

*47-mile maximum EV mode driving-range rating. 340-mile combined gas-electric driving-range rating. Based on 2020 EPA range ratings. Use for comparison purposes only. Your driving range will vary depending on driving conditions, how you drive and maintain your vehicle, battery-pack age/condition and other factors.

Clarity Fuel Cell
clarityfuelcell.honda.com

The car of tomorrow.

The redesigned Clarity Fuel Cell is the most advanced zero-emissions⁸ Honda vehicle ever. This breakthrough hydrogen vehicle's only emission is water. It can be refueled in 3-5⁹ minutes throughout California, thanks to the state's growing network of hydrogen stations. The Clarity Fuel Cell converts hydrogen into electricity to power the high-torque electric motor. For increased efficiency, a small onboard battery stores energy recovered during deceleration and braking, adding "free" electrons to the power mix.

Innovative Tech

- 174-hp,¹⁰ 221 lb-ft torque high-output electric motor¹⁰
- California HOV lane access-eligible⁷
- Standard Honda Sensing[®] suite of safety and driver-assistive features
- Head-Up Display (HUD)
- 540-watt premium audio system with 12 speakers

Clarity Fuel Cell shown in Crimson Pearl with Gray Leather.

Clarity Fuel Cell is currently only available through authorized Honda Clarity Fuel Cell dealers in California to residents of California living or working in proximity to hydrogen fueling stations.

Drivers. Passengers. Everyone.

Honda is dedicated to identifying and implementing advanced designs and features that help enhance the safety of drivers and passengers, including occupants of other vehicles and injury mitigation for pedestrians.

Key Standard Safety Features

- Advanced Compatibility Engineering™ (ACE™) body structure
- Advanced driver and front passenger airbags
- Multi-angle rearview camera¹¹

Clarity Plug-In Hybrid Touring shown in Modern Steel Metallic.

The Honda Sensing® Suite.

A - Collision Mitigation Braking System™ (CMBS™)¹²
CMBS can help bring your vehicle to a stop by automatically applying brake pressure when the system determines that a frontal collision is unavoidable.

B - Lane Keeping Assist System (LKAS)¹³
With your hands on the steering wheel, long highway drives are easier with LKAS, which subtly adjusts steering to help keep your vehicle centered in a detected lane.

C - Road Departure Mitigation System (RDM)¹⁴
RDM can determine if you cross over detected lane lines without signaling, can provide steering assistance to help you return to your lane, or provide braking to help keep you from leaving the roadway entirely.

Adaptive Cruise Control (ACC) with Low-Speed Follow¹⁵
ACC helps you maintain a set following interval behind a detected vehicle for highway driving. If the detected vehicle slows to a stop, ACC is designed to slow and stop your vehicle as well. After stopping, a tap on the throttle instructs the car to continue maintaining the desired interval.

Travel smarter.

Stay connected with your vehicle right from your smartphone. The HondaLink® app* provides assistance, service and convenience. Visit hondalink.com for more information on features and subscription services.

Key Available Features

- Personal Concierge
- Remote Start
- Remote Lock & Unlock
- Emergency Call
- Find My Car
- Stolen Vehicle Locator
- Enhanced Roadside Assistance
- Automatic Collision Notification

*Depending on use, HondaLink can transmit to Honda and its providers a vehicle's location, speed and other operating conditions, information that may be tied to the vehicle identification number (VIN) and can be combined to create a track of a vehicle. For a full explanation of HondaLink functionality and Honda's data use and privacy policy, see owners.honda.com/hondalink.

Wi-Fi® on the go.

When you travel, bring the Internet along for the ride. With available Wi-Fi® hotspot capability,† you can access entertainment, messaging, favorite websites and more. Visit hondawifi.com for more information.

Key Available Features

- Stream TV shows, movies and music
- Play games, share, browse and email
- Connect up to 7 Wi-Fi® devices at once
- Use devices up to 50 feet away from your Honda vehicle

†Requires AT&T data plan. Visit hondawifi.com for more details.

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Honda Care® is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.¹⁶

All Honda vehicles – and any Honda Genuine Accessories installed at the time of vehicle purchase – are covered by a 3-Year/36,000-Mile Limited Warranty.¹⁷ Plus, Honda vehicles are covered by a 5-Year/60,000-Mile Limited Powertrain Warranty,¹⁷ too. Hybrid vehicles also have an 8-Year/100,000-Mile High-Voltage Battery Limited Warranty.¹⁸ For more information or assistance, see your Honda dealer or please give us a call at 1-800-999-1009.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-Year/36,000-Mile Limited Warranty.¹⁷ Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

¹ Total system horsepower as measured by the peak, concurrent output of the two electric motors and gasoline engine. ² Honda wireless phone charger is compatible with Qi wireless charging standards. Check with your device's manufacturer for wireless capability. ³ Apple CarPlay is a registered trademark of Apple Inc. ⁴ Android, Android Auto are trademarks of Google LLC. ⁵ Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance®. ⁶ The systems are not a substitute for your own visual assessment before changing lanes or backing up, and may not detect all objects, or provide complete information about conditions, behind or to the side of the vehicle. System accuracy will vary based on weather, size of object, and speed. Driver remains responsible for safely operating vehicle and avoiding collisions. ⁷ High Occupancy Vehicle (HOV) lane access requires HOV sticker on vehicle. HOV sticker can be obtained through the California Department of Motor Vehicles. Once sticker is on vehicle, you can use HOV lanes even if driving alone. Newly issued stickers valid until January 1, 2024. ⁸ ZEV (Zero-Emission Vehicle) model as certified by the California Air Resources Board (CARB). ⁹ Fueling time varies with hydrogen fueling pressure and ambient temperature. ¹⁰ 174 hp @ 4501-9028 rpm, 221 lb-ft @ 0-3500 rpm (SAE net). ¹¹ Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ¹² CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. System designed to mitigate crash forces. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹³ LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁴ Road Departure Mitigation only alerts drivers when lane drift is detected without a turn signal in use and can apply mild steering torque to assist driver in maintaining proper lane position and/or brake pressure to slow the vehicle's departure from a detected lane. RDM may not detect all lane markings or lane departures; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁵ ACC with Low-Speed Follow cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁶ NHL and the NHL Shield are registered trademarks of the National Hockey League. ©NHL 2020. All Rights Reserved. ¹⁷ 3-Year/36,000-Mile Limited Warranty, 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ¹⁸ 8-Year/100,000-Mile Limited Warranty covers abnormal loss of capacity in the hybrid's high-voltage battery. Other warranties may provide additional coverage for the high-voltage battery. See dealer for details. Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
