This is what we're made of

There's a lot of smart thinking that goes into every Honda. But don't mistake the attention to detail for a delicate machine. You'd be wrong. Because whether it's a truck, an SUV or a hatchback, every Honda has always been built with the capacity to shatter expectations off-road, on-road or at the track.

Ridgeline RTL shown in Lunar Silver Metallic with HPD™ Package.

DEALER ePROCESS

Built with the capacity to amaze

Every challenge is an opportunity. And every Honda loves a challenge. It's what drives us to design intelligent all-wheel-drive systems that can overcome the harshest conditions. And durable engines that are proven to withstand the test of time.

Racing is at the heart of what we do

Without racing, we wouldn't be where we are today. Whether it's on the street, the track or down unpaved roads, every Honda is descended from a racing spirit. That's what drives us to compete and win at the highest level in motorsports.

i-VTM4® AWD

Powering a different kind of journey

A STRONG STATEMENT

Go ahead, put the Ridgeline to the test. With Intelligent Traction Management and a 5,000-lb towing capacity,² this pickup has the power to move other off-road vehicles by the truckload. It's also packed with the great thinking you'll only find in a Honda, like a lockable in-bed trunk,⁸ dual-action tailgate and i-VTM4® all-wheel-drive system with four different terrain modes.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Explore even further

RUGGED, MEET OUTDOORS

Boasting a 280-hp³ engine and Intelligent Traction Management*, the redesigned Passport is no stranger to the great outdoors. And with the ability to traverse all kinds of terrain, the TrailSport editions' rugged good looks add to the excitement no matter what trails you're blazing.

*Snow mode only on 2WD trims. Snow, Mud and Sand modes on AWD trims. Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

HondaLink

TRAVEL SMARTER

Stay connected with your vehicle, right from your smartphone. The HondaLink® app[†] provides assistance, service and convenience, with compatibility across the entire Honda lineup. Visit hondalink.com for more information on features and subscription services.

HondaLink Available Features

- Personal concierge
- Remote lock & unlock
- Emergency call
- Find my car
- Stolen vehicle locator
- Enhanced roadside assistance
- Automatic collision notification

[†]Depending on use, HondaLink can transmit to Honda and its providers a vehicle's location, speed and other operating conditions, information that may be tied to the vehicle identification number (VIN) and can be combined to create a track of a vehicle. For a full explanation of HondaLink functionality and Honda's data use and privacy policy, see owners.honda.com/hondalink.

PILOT

WI-FI* ON THE GO

Bring the Internet along for the ride in select trims of the Accord, Insight, Odyssey, Passport and Pilot. With available Wi-Fi[®] hotspot capability,* you'll be able to access entertainment, messaging, websites and more using your favorite devices. Visit hondawifi.com for more information.

Key Available Features

- Stream TV shows, movies and music
- Play games, share, browse and email
- Connect up to 7 Wi-Fi[®] devices at once
- Use devices up to 50 feet away from your Honda vehicle

*Requires AT&T data plan. Visit hondawifi.com for more details.

Everything you'd want in any terrain

WHERE TO NEXT?

Everyday usability. Not-so-everyday capability. That's the turbocharged Honda CR-V – the best-selling crossover over the past decade.* And for good reason, too. It looks sharp with available 19-inch alloy wheels, and you can dial up the excitement with Sport Mode. Proof that getting there can be more than half the fun.

*Based on IHS Markit U.S. total new vehicle registrations of non-luxury traditional Crossover Utility Vehicles from 2011 through August 2021.

MODES

ONE SIZE FITS ALL

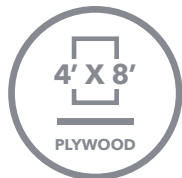

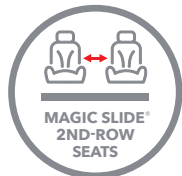

You've got people to see and places to go. And with the Honda HR-V, you've always got the right vehicle for the occasion. It's like combining the best parts of an SUV with available all-wheel drive, a nimble compact car and a hatchback with three seating modes for different kinds of cargo. All that together in one versatile package.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

Sustainability is in our nature

Honda is committed to reducing the carbon emissions from our products and operations, as we work towards our vision of a carbon-free society. According to the EPA, our lineup is the most fuel-efficient among full-line automakers.* In addition to our lineup of efficient hybrid vehicles, we’ve also entered into long-term virtual power purchase agreements (VPPAs) for renewable wind and solar energy, creating a net reduction of CO2 emissions equaling over 60 percent of our electricity usage in North America.

GET THERE EFFICIENTLY

Honda is committed to becoming carbon neutral by 2050, which starts with more vehicles like the CR-V Hybrid. It's equipped with a 212 total system horsepower powertrain¹⁰ and standard all-wheel drive, delivering all the fun and utility you'd expect from a highly capable crossover.

Honda reminds you to properly secure cargo items and follow all applicable load limits and loading guidelines.

... CR-V **HYBRID**

Dreams define who we are

CONSCIOUSLY REFINED

The Accord has always pushed the boundaries of performance, comfort and efficiency. The Accord Hybrid does it all while spending even less time at the pump. With a 48-mpg city rating* and 212 total system horsepower,¹⁰ it stands out as the most powerful hybrid in its class.

*48 city/47 highway/47 combined mpg rating for Hybrid and Hybrid EX-L. 44 city/41 highway/43 combined mpg rating for Hybrid Sport and Touring. Based on 2022 EPA mileage ratings. 550-mile driving-range rating for Hybrid Touring. Based on 2021 EPA and DOE (www.fueleconomy.gov) ratings. Use for comparison purposes only. Your mileage will vary depending on how you drive and maintain your vehicle, driving conditions, battery-pack age/condition and other factors.

Confidence on the road

PASSIVE AND ACTIVE SAFETY

The vehicles we build are engineered with your loved ones in mind. It starts with the Honda-exclusive ACE™ body structure. In the event of a frontal collision, it distributes crash energy more evenly throughout the front of the vehicle. Advanced front airbags provide additional collision protection, with select models featuring SmartVent® airbag technology. Plus, every Honda comes standard with a multi-angle rearview camera¹¹ and Vehicle Stability Assist™ (VSA®) with Traction Control.¹²

Collision Mitigation Braking System™¹³

Lane Keeping Assist System¹⁴

Road Departure Mitigation System¹⁵

Adaptive Cruise Control¹⁶

Traffic Sign Recognition¹⁷

SAFETY AND DRIVER-ASSISTIVE TECHNOLOGIES

Honda Sensing® can help alert you to things you might miss while driving. This suite of safety and driver-assistive technologies was designed with complete coverage in mind. That includes adjusting brake pressure when an unavoidable collision is determined, adjusting steering to keep you centered in a detected lane and notifying you about posted speed limits using a small camera.

automobiles.honda.com

Whether you buy or lease a Honda vehicle, Honda Financial Services can assist you with the process. Please ask your dealer which lease or purchase plan best suits your needs.

Honda Care[®] is an affordable, comprehensive vehicle and travel protection plan backed by Honda reliability, service and parts. Please see your Honda dealer for details.

Manufactured to the same strict standards as Honda vehicles, Honda Genuine Accessories are the perfect way to personalize and protect your vehicle. Please see your Honda dealer for details.

Powerful. Agile. Versatile enough to handle almost any condition. It's no wonder Honda is the official vehicle of the NHL.¹⁸

All Honda vehicles - and any Honda Genuine Accessories installed at the time of vehicle purchase - are covered by a 3-Year/36,000-Mile Limited Warranty.¹⁹ Plus, Honda vehicles are covered by a 5-Year/60,000-Mile Limited Powertrain Warranty,¹⁹ too. Hybrid vehicles also have an 8-Year/100,000-Mile High-Voltage Battery Limited Warranty.²⁰ For more information or assistance, see your Honda dealer or please give us a call at 1-800-999-1009.

24-hour emergency road service is available to you in the United States, Puerto Rico and Canada throughout your 3-Year/36,000-Mile Limited Warranty.¹⁹ Services include jump-starting, flat tire and lockout assistance, towing, and more (limitations apply). Call 1-866-864-5211.

¹ Premium color adds \$395 charge. ² Maximum towing capacity is 5,000 lbs. Towing requires accessory towing equipment. Please see your Honda dealer for details. ³ 280 hp @ 6000 rpm (SAE net). ⁴ Maximum towing capacity for AWD models is 5,000 lbs. Maximum towing capacity for 2WD models is 3,500 lbs. Towing requires accessory towing equipment. Please see your Honda dealer for details. ⁵ Wi-Fi and Wi-Fi Direct are registered trademarks of Wi-Fi Alliance. ⁶ 200 hp @ 6000 rpm (SAE net). ⁷ Bose is a registered trademark of Bose Corporation. ⁸ Apple CarPlay is a registered trademark of Apple Inc. ⁹ Android Auto and YouTube Music are trademarks of Google LLC. ¹⁰ Total system horsepower as measured by the peak, concurrent output of the two electric motors and gasoline engine. ¹¹ Always visually confirm that it is safe to drive before backing up; the rearview camera display does not provide complete information about all conditions and objects at the rear of your vehicle. ¹² VSA is not a substitute for safe driving. It cannot correct the vehicle's course in every situation or compensate for reckless driving. Control of the vehicle always remains with the driver. ¹³ CMBS cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁴ LKAS only assists driver in maintaining proper lane position when lane markings are identified without a turn signal in use and can only apply mild steering torque to assist. LKAS may not detect all lane markings; accuracy will vary based on weather, speed and road condition. System operation affected by extreme interior heat. Driver remains responsible for safely operating vehicle and avoiding collisions. ¹⁵ Road Departure Mitigation (RDM) only alerts the driver when lane drift is detected without turn signal use. RDM can assist in maintaining proper lane position and slow departure from a detected lane. RDM may not detect all lane markings/departures; accuracy will vary and operation is affected by extreme interior heat. Driver remains responsible for safely operating vehicle. ¹⁶ ACC cannot detect all objects ahead and may not detect a given object; accuracy will vary based on weather, speed and other factors. ACC should not be used in heavy traffic, poor weather or on winding roads. ACC only includes a limited braking function. Driver remains responsible for slowing or stopping the vehicle to avoid a collision. ¹⁷ TSR cannot detect all traffic signs, may misidentify certain signs and does not include any braking or speed control functions. Accuracy will vary based on weather and other factors. System operation affected by extreme interior heat. Driver remains responsible for complying with all traffic regulations. ¹⁸ NHL and the NHL Shield are registered trademarks of the National Hockey League. ©NHL 2021. All Rights Reserved. ¹⁹ 3-Year/36,000-Mile Limited Warranty, 5-Year/60,000-Mile Limited Powertrain Warranty. Ordinary maintenance or adjustments, parts subject to normal wear and replacement, and certain items are excluded. Please see your Honda dealer for the terms and conditions of the limited warranties. ²⁰ 8-Year/100,000-Mile Limited Warranty covers abnormal loss of capacity in the hybrid's high-voltage battery. Other warranties may provide additional coverage for the high-voltage battery. See dealer for details. Honda reminds you and your passengers to always use seat belts and appropriate child seats. Children 12 and under are safest when properly restrained in the rear seat.
