A high-angle, close-up photograph of the driver's side floor area of an Audi vehicle. The image shows a black carpeted floor with a custom-fit floor mat that has orange stitching along its edges. To the left of the mat is a large, rectangular, brushed metal accelerator pedal. To the right of the mat is a smaller, rectangular, brushed metal brake pedal. In the upper right, a portion of the gear shift lever is visible, featuring a silver 'S' badge. The driver's seat, upholstered in black perforated leather with orange stitching, is visible in the lower right corner. The overall aesthetic is sporty and premium.

Audi exclusive floor mats

A close-up photograph of a racing seat, specifically the side of the seat shell. The seat is upholstered in a vibrant orange leather with fine, dark stitching along the seams. A silver-colored metal plate with the word "RECARO" is visible on the side of the seat. The background is dark and out of focus, emphasizing the seat's contours and materials.
