Why Security+Plus?

For over 30 years, we've provided **Service You Can Trust** — comprehensive, factory-backed coverage for Nissan Owners and repairs at any authorized Nissan dealership nationwide. With approximately \$700 million in annual sales and over two and a half million cars on the road today covered by our products, we are one of the largest service contract providers in the automotive marketplace.

How am I protected?

Your Nissan vehicle warranty is very comprehensive. It covers virtually every part in your vehicle and can help prevent you from paying expensive repair bills. Only one problem — it ends. And when it does, you could be exposed to unexpected repair costs. A Security+Plus Extended Protection Plan can protect your investment and your pocketbook when your factory warranty expires.

Guard against the rising cost of repairs

The average age of cars and light trucks currently in operation in the U.S. has increased to 11.8 years.* As your vehicle gets older, both the risk and cost of repairs may increase.

Our contract terms and options provide you with an unparalleled value, right now.

- **Choice of plan level that best suits you** with \$0 or \$100 deductible, per visit
- **Payment-free service, other than your deductible** Dealers are paid directly
- **Transferable** if you sell before your coverage expires; helps enhance resale value[†]
